LUMIERE

AN IMMERSIVE CHRISTMAS EXPERIENCE

New Holiday Park opened in 2024

LUMIERE, a 32-acre holiday park offering an “immersive Christmas experience,” opened in Stonewall in the fall of 2024. In its inaugural season, the \$4 million project welcomed more than 50,000 guests, establishing itself as a premier holiday destination in Northwest Louisiana.

Now entering its second season, LUMIERE is building on that momentum with even more attractions. Guests can enjoy hundreds of 3D holiday displays, a lighted ADA-compliant trail, the state’s tallest Christmas tree at 72 feet, a thrilling 250-foot synthetic ice slide, and more.

LUMIERE’s passion for large-scale holiday spectacles was first demonstrated in 2023, when it partnered with the DeSoto Parish Sheriff’s vision for a community celebration. Together, they debuted the “Tallest Christmas Tree in the World,” a record-breaking display constructed around the communications tower at the Stonewall Government Plaza. That 300-foot tree—28 stories tall—sparkled with more than 10,250 twinkling lights, setting the stage for the creation of LUMIERE.
