MIXED USE COMMERCIAL

* Up to 50% Land Coverage 35' Height Limit

The Mixed-Use Commercial designation permits a mixture of retail, office, residential in a mixed-use setting, along with lodging, service, auto related businesses, non-manufacturing industrial uses, recreational uses and restaurants.

Project designs shall maintain the small town, residential scale and natural environments of adjacent residential neighborhoods. Projects developed under this designation shall be designed to provide prime orientation to the major arterial street frontage and proper transitions and buffers to any adjacent residential property. This designation should never be interpreted to allow development of independent commercial facilities with principal frontage on the side streets.
