ZONING

2028 W Cary is an exceptionally rare opportunity to own a luxury renovated/new construction mixed use asset in Richmond’s most sought after “blue-chip” neighborhood, the Fan District.

Designed by David Johannas of Johannas Design Group, this **award winning project** is a stunning and successful example of “historic meets modern” design and construction in an excellent central location with unparalleled access to some of the City’s most desirable amenities.

The offering consists of two (2) structures, designed to complement one another. The existing historic structure is a fully renovated 3,100 SF 2- story retail building, tenanted by a local restaurant tenant on the ground floor. On the additional floor above is one (1) apartment. The historic building is flanked by a dramatic 5,600 SF 3-story modern addition of five (5) unique apartments, completed in 2016 to maximize density across the entire 0.162 acre site.

Walkable to Richmond’s local shopping mecca, Carytown, and recently developed mixed use community, Cary Street Station, 2028 W Cary offers a high profile luxury investment

The Fan District

Largely developed in the early 1900's, The Fan District remains one of the most walkable and pedestrian friendly places to live in the city.

NEIGHBORHOOD OVERVIEW

The density and mixed-use nature of the Fan means cultural, entertainment, and dining options abound. This unique blend is one of the Fan's most appealing attributes. Located along the Fan's western border, the Boulevard corridor is home to some of the best of Richmond's arts and culture. The famed **Virginia Museum of Fine Arts (VMFA)**, the **Virginia Museum of History and Culture**, the **Science Museum of Virginia**, and the **Children's Museum** are all conveniently located within walking distance of each other.

In addition to museums, the Boulevard and Broad corridor provides numerous entertainment options such as the **Bow Tie Theater** and **The Diamond**, home to the Flying Squirrels baseball club (AA Affiliate of the San Francisco Giants). Additionally, fine and performing art centers including the **Altria Theatre**, **Dominion Energy Center/ Carpenter Center**, the **Institute of Contemporary Art (ICA)**, and **The National** are located immediately east of the Fan in the heart of VCU and in the Downtown district.

In keeping with the early 20th century urban design philosophy, almost every location within the Fan is within a short walk of several restaurants and/or markets. Main Street and Robinson Street serve as commercial corridors, offering many restaurants, breweries, coffee shops, and more. Lombardy, Meadow, and Strawberry Street all have plenty of dining establishments and markets.
