DESCRIPTION

The property comprises large industrial building, a small office block to the front of the site with two further modern semi-detached warehouses to the rear. There is also approximately 10 acres of land which may be available for open storage.

Store 1 is of steel frame construction with raised concrete floors, external steel cladding and a steel framed dock level loading bay. There are canteen and welfare facilities to the front of the unit with a "Goods In" area and a large packing area to the rear. The unit has a concrete floor, is fully white walled with LED lighting, suspended in the production area. There are electronic roller shutters between the packing area and loading docks. There is a Goods In portacabin office to the front of the loading bay.

The two modern semi-detached industrial units have high bay LED lights, roller shutter doors to each end and two ground level loading docks

There is a concrete yard to the front and east of the building which is ideal for transport operations and parking for a large number of HGV's.

LOCATION

The market town of Bourne is situated in south Lincolnshire on the A15, which runs north south between Peterborough and Lincoln. It lies at its junction with the A151, between Market Deeping and Sleaford. Bourne is on the edge of the Fens and the main industry in the town is linked to food production and packaging. The town has a population of approximately 15,000 and is approximately 15 miles north of Peterborough, 18 miles south east of Grantham and 12 miles west of Spalding.

Bourne Enterprise Park lies to the south east of Bourne, on the edge of an industrial area. Tunnel Bank is a local access road that links to the A151 Cherry Holt Road, approximately 100m to the north. Nearby occupiers include Enva, Bakkavor, Travis Perkins & Howdens Joinery.
