# PROPERTY Overview

3.52± AC

CCG-2

The Bumgarner Industrial Team of Colliers North Florida is excited to present 859 Willow Branch Avenue, a rare 3.52± acre Industrial Outdoor Storage (IOS) opportunity in Jacksonville's Riverside submarket. Zoned CCG-2, the property supports contractor yard, laydown yard, fleet parking, equipment storage and material storage uses.

This site is ideally suited for general contractors, utility contractors, landscapers, paving companies and specialty trades requiring secure outdoor storage in a central infill location. The property offers convenient access to I-10, US-17 (Roosevelt Boulevard) and downtown Jacksonville, allowing efficient service to Riverside, Avondale, Murray Hill and the greater urban core.

Infill outdoor storage properties with commercial zoning are increasingly scarce in Jacksonville. 859 Willow Branch Ave provides functional yard space in a highly strategic, in-town location and a strong solution for businesses that need operational efficiency without relocating to the outskirts of town.
