The Opportunity

Set in an Area of Outstanding Natural Beauty in the Village of Flimwell on the East Sussex border with Kent, Flimwell Park has been designed to connect people with its woodland surroundings.

The development aims to show how architectural and woodland development can exist in a continuous, integrated and mutually beneficial relationship.

The Focal building offers an exciting and unique opportunity for an F&B or events operator, or even as a corporate retreat. The building offers double-height space suitable for brand launches, gatherings, corporate events/retreats, and weddings.

The Cafe/Restaurant building offers an exciting F&B opportunity, with roof terrace and self-contained first floor that can be used either as an office or private dining, or independently - such as yoga, art classes, or baby & parent classes.

There is ample parking on-site, along with 6 on-site Tesla Superchargers offering an excellent amenity, 3 residential tenants, 1 site manager, 10 short-let lodges, 1 short-let luxury house (AirBnb) and 9 business units (905 sq ft per unit).

We are open to discussing a single operator acquiring both spaces. Site visits are highly encouraged.
