ABOUT

Mana Contemporary is a multidisciplinary arts institution with cultural centers in Jersey City, Chicago, and Miami, focused on celebrating creativity and supporting artists globally. It fosters a collaborative community through exhibitions, residencies, career development, and discussions both online and in person. Artists from various disciplines share innovative environments that encourage experimentation and inspiration. Mana Contemporary Chicago, located in a historic building in Pilsen, serves as a vibrant hub for local artists and arts organizations.

NEIGHBORHOOD | PILSEN

Pilsen has long been a hub of Mexican and Latino culture in Chicago. Rich in Latino culture, Pilsen is a neighborhood that overflows with music, art, culinary tradition, and nightlife. It's home to award-winning restaurants, iconic music venues, and sensational murals as far as the eye can see. The 907-acre district is intended to maximize the Pilsen Industrial Corridor's proximity to major highways, rail lines and water routes for manufacturing, distribution and warehouse purposes, and to coordinate retail and service-oriented development on appropriate sites.
