The Offering

Colliers is pleased to present for sale or lease, 915 Airport Blvd. (the "Property" or "915 Airport") in South San Francisco, CA. The Property presents an exciting opportunity to acquire $\pm 28,750$ square feet (± 0.66 acres) of land with close proximity to Oyster Point, the world's largest biotech and life sciences cluster with 250+ companies occupying 12 million square feet.

915 Airport is zoned T3C allowing up to 60 units per acre at a maximum FAR of 2.25 with a 50-foot height limit and a 65% maximum lot coverage ratio. The Property is a strong candidate for LIHTC affordable housing development with multiple state senate and assembly bills applicable to the Property.

The Property was previously approved for a 115-room upscale hotel totaling 79,159 square feet, including a ground floor restaurant/lounge area, a 78-car parking garage, and convenient passenger drive-up and drop-off loading area.

- Proximity (3 miles) to San Francisco International Airport
- Close distance to Downtown San Francisco
- Walking distance to Downtown South San Francisco

Investment Highlights

Proximity to Major Biotech Companies

Oyster Point is home to a number of biotech and pharmaceutical companies, including Genentech, Amgen, and Theravance Biopharma. This concentration of top biotech companies offers a unique investment opportunity for those looking to capitalize on the growing demand for biotech research and development in the Bay Area.

Growing Business Environment

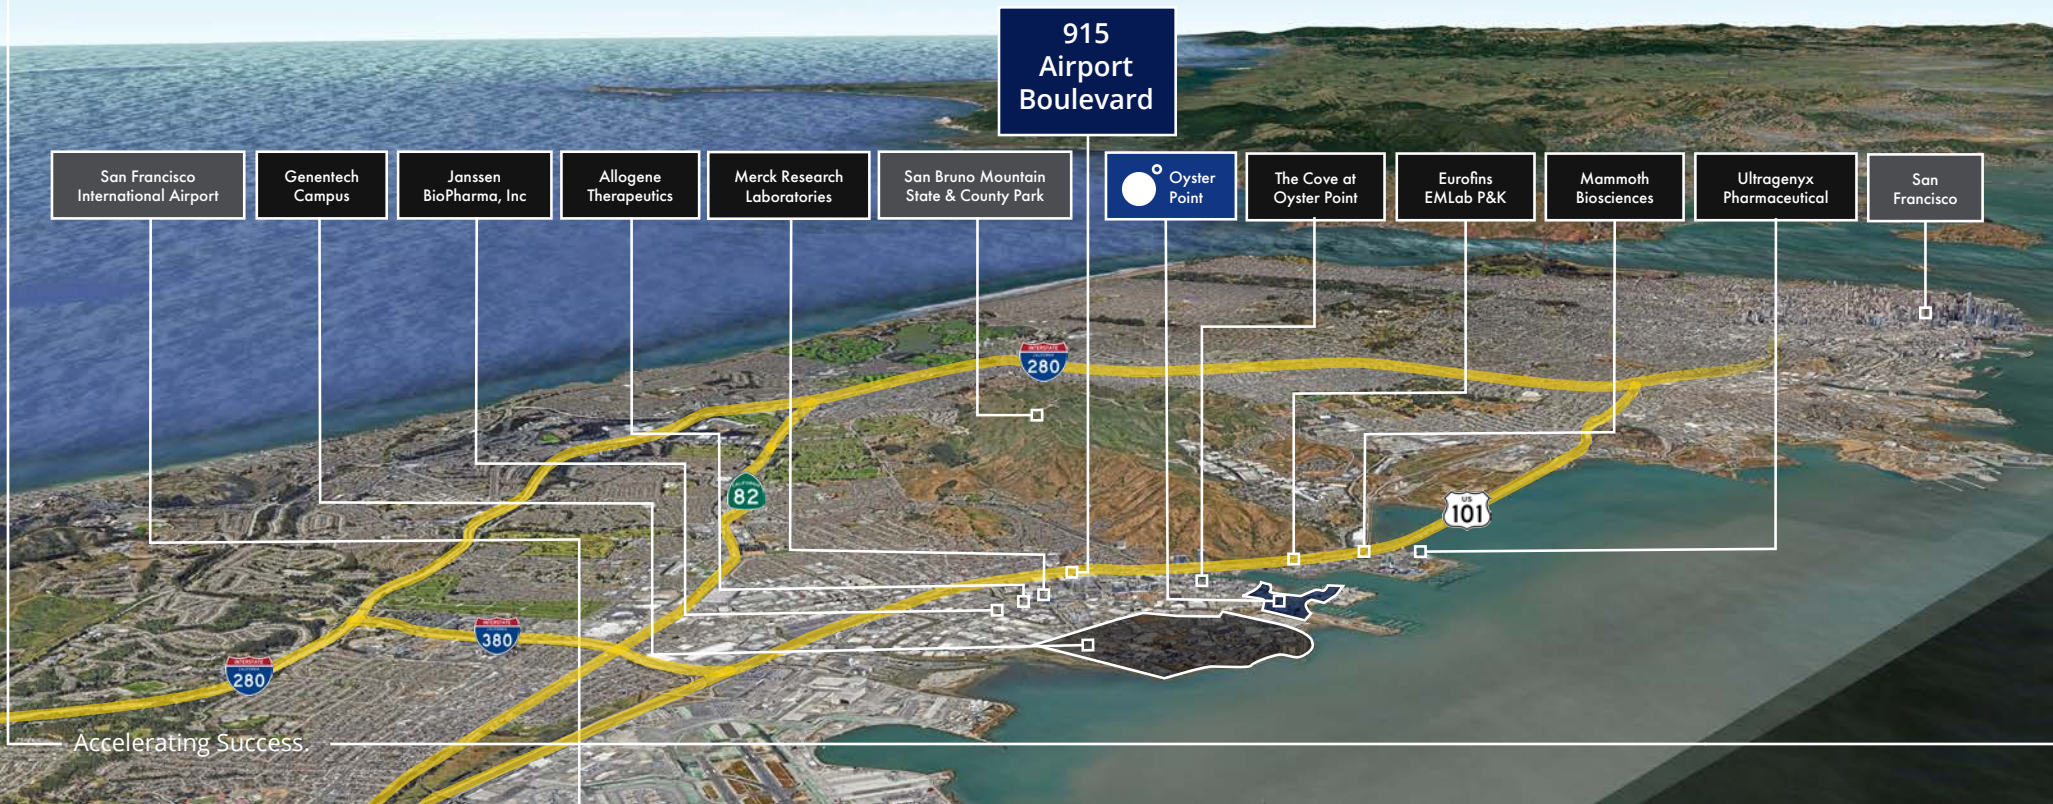

The biotech industry in South San Francisco has been growing rapidly in recent years, with many companies expanding and investing in the area. This growth has led to an increase in demand for office and lab space, creating a strong commercial real estate market in Oyster Point.

Access to Top Talent

With its proximity to major biotech companies and research institutions, Oyster Point attracts a highly skilled workforce, making it an attractive location for businesses looking to recruit top talent. This provides an opportunity for investors to capitalize on the growing demand for high-quality office and lab space in the area.

Waterfront Location

Oyster Point's waterfront location offers a unique investment opportunity, particularly for those interested in developing or investing in commercial and residential real estate. The area offers stunning views of the San Francisco Bay, as well as recreational opportunities like boating, fishing, and hiking, which can enhance the appeal of any investment in the area.

Oyster Point Market Snapshot

#1

cluster in the World and first in venture, NIH, and angel funding, and first in the number of patients.

5,000,000 MSF

South San Francisco has approved another five million square feet of life science related development that can be built now.

\$360,000,000

total funding. South San Francisco companies received 24 VC funding awards for early stage, later stage and expansion research.

46,000+

people are employed in various companies and academia in the area.

LARGEST

Biotech cluster in the world

20,000

of the employees in the area work for bioscience in over 150 different companies.

Location Snapshot
