

Clinical Coworking Space — Ontario, CA

THE THERAPY ROOMS AT CORISE

THE INLAND EMPIRE'S FIRST CLINICAL COWORKING SPACE

Where Clinicians *Practice* and Grow

CoRise is a premium, purpose-built clinical coworking space exclusively designed for mental health professionals. Unlike traditional office leases, CoRise gives therapists, psychologists, and psychiatric providers everything they need to run a professional private practice — without the long-term overhead risk.

Fully furnished therapy rooms, a welcoming provider lounge, and on-site front desk receptionist services create an environment where clinicians can arrive, focus, and deliver exceptional care — while building their practice alongside a community of peers.
