

SUITE 138 – E | 1,007 SF

Located at 6800 Park Ten Blvd, Suite 138 East, in San Antonio, Texas, this 1,007-square-foot office suite offers a functional and professional workspace ideal for a variety of business users. The single-floor layout is divided into seven rooms, providing a balanced mix of private offices, meeting areas, and flexible support space.

Two private offices feature built-in L-shaped cherry wood desks, while a bold teal accent wall adds character to one workspace. A dedicated conference room with a large oval cherry wood table creates a polished setting for meetings and presentations, complemented by a secondary meeting room for smaller gatherings.

Neutral finishes, commercial-grade carpeting, recessed fluorescent lighting, and natural light throughout contribute to a clean, move-in-ready environment suited for professional or administrative operations.
