INVESTMENT HIGHLIGHTS

LONG-TERM NNN LEASE: Fully leased to Acuren Inspection, Inc., part of TIC Solutions, a leading provider of testing, inspection, engineering, and asset integrity services.

MISSION-CRITICAL FACILITY: Supports Acuren's industrial service operations across Southwest Louisiana's refining, petrochemical, pipeline, and LNG corridor.

PORT OF LAKE CHARLES PROXIMITY: Located minutes from a major Gulf Coast port serving LNG terminals, refineries, manufacturers, and petrochemical users.

FUNCTIONAL INDUSTRIAL CAMPUS: Three buildings totaling ±28,597 SF on ±2.55 acres, with stabilized yard, grade-level doors, and 480-volt three-phase power.

MAJOR REGIONAL INVESTMENT: More than \$30 billion in announced LNG development is driving continued industrial growth across Southwest Louisiana.

STRATEGIC I-10 LOCATION: Positioned between Houston and New Orleans with convenient access to two of the Gulf Coast's largest industrial markets.

Address: 4809 East Napoleon Street
Sulphur, LA 70663
