## Industrial Center

SterlingCRE Advisors is pleased to present a rare opportunity for industrial condominium ownership in Missoula's expanding commercial corridor. Located just minutes from the Interstate 90 interchange, West Ridge Industrial Park offers strategic access to regional transportation routes, the North Reserve commercial district, and Missoula International Airport.

These modern industrial condominium units are purpose-built for owner-operators seeking long-term control, operational efficiency, and equity growth. Designed with functional layouts, grade-level loading, ample shared parking, and flexible warehouse-to-office configurations, the project supports a wide range of light industrial, logistics, service, and trade uses. The site will be fully paved, providing improved circulation, durability, and ease of access for vehicles and equipment.

Missoula's industrial market remains supply-constrained, with rising construction costs and increasing demand for quality industrial product. Ownership at Futurity Drive allows businesses to stabilize occupancy costs, hedge against rising lease rates, and secure a permanent footprint in one of Western Montana's most active industrial corridors.

With limited units available and completion scheduled for July 2026, this offering represents a timely opportunity to own in a location positioned for long-term growth.
