The information contained herein is furnished by sources we deem reliable, but for which we assume no liability. Tenant should verify with reputable consultants all aspects of this brochure and the property including building & land measurements, interior dock and mezzanine areas, type and age of building, structural condition, ceiling clearance, power, calculation, zoning, permitted uses within the building, parking count, any building measurements, any unpermitted improvements. Tenant should also hire experts including but not limited to (Architect, Structural Engineer, Surveyor, Contractor, Environmental Consultant) to verify the condition of the above items in this disclosure and all aspects of the property and confirm with the appropriate Governmental Agency that the property zoning and building use (Certificate of Occupancy). Also advises Tenant to obtain any required use permits and business licenses prior to lease execution and have their Attorney review any Lease Contract prior to execution.
