**Concord Center** is a premier, Class A office building located in Birmingham’s vibrant Central Business District. Within a one-mile radius of Concord Center, there are over 40 restaurants, six hotels, over 3,000 housing units and a number of high-profile downtown businesses. Utilizing Concord Center’s well located position within the downtown business community, the available retail space is ideal for a restaurant concept providing a “grab-and-go” breakfast, fast-casual lunch, or on-site dining with curbside pick-up options.
