

An aerial night photograph of a city intersection. The central focus is a large, light-colored, irregularly shaped plaza area. To the right is a tall building with a distinctive white, slatted facade. To the left is a street with trees and streetlights. The top of the image shows a dark teal banner with white text. The bottom of the image shows a dark teal banner with white text.

donut LET THIS PLACE GET AWAY

LOCATED IN DENVER'S CBD, Independence Plaza encompasses one full square block—bordered by 17th Street, Curtis Street, Arapahoe Street and the 16th Street Mall. One of the longest pedestrian and transit malls in the world, The Mall is the backbone of the city center and serves as a nexus for the 145,000 employees and 30,000 residents of downtown.
