

EXPLORE SILHOUETTE WORKHUB

Take a self-guided tour of our unique coworking space and discover the perfect environment for your business to thrive. We cater to teams at every stage, offering office spaces that scale from individual workstations to large startup suites. Feel free to explore through our coworking areas, peek into our private suites, and envision your next meeting in our modern conference rooms.

You'll notice the side of the floor marked with a street on the map; those suites boast lovely views of the bustling Peachtree Street NE, providing an inspiring and radiant backdrop to your workday.

To help you navigate, each suite is marked with a colored sticker. These colors correspond to the team sizes listed in the map key below, allowing you to easily identify the options that best suit your staff needs. We invite you to experience the vibrant atmosphere and exceptional amenities that make Silhouette WorkHub (SWH) the ideal place to find connections, collaborate, and grow.

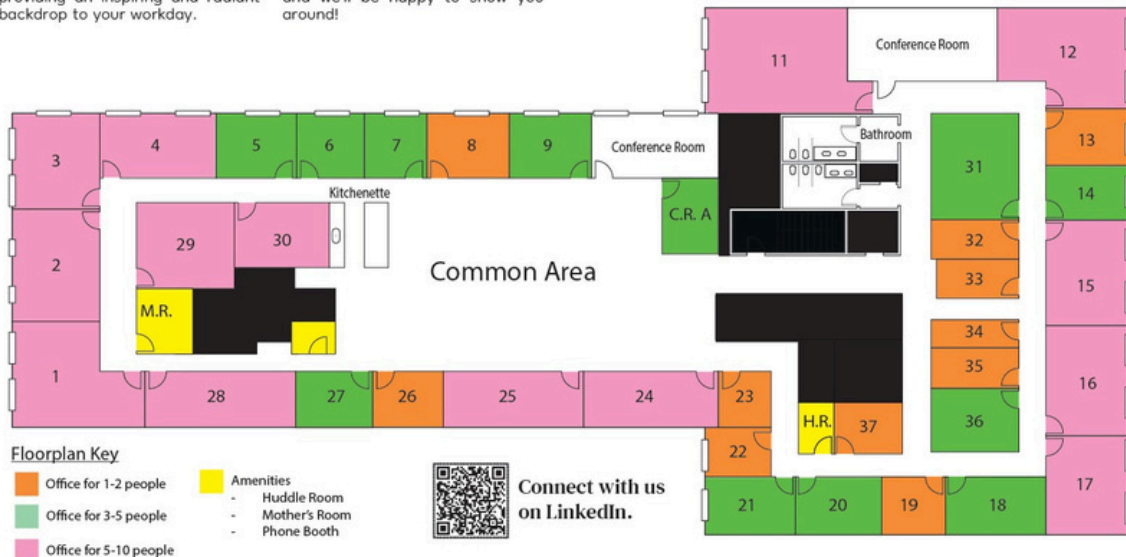

If you'd like a more personalized experience, our SWH management representatives are available to provide guided tours. Simply ask, and we'll be happy to show you around!
