1657-1651 LAKEWOOD AVENUE SE ATLANTA, GA 30315

Lakewood Avenue SE and Jonesboro Road SE form a key commercial intersection within South Atlanta, providing strong connectivity between surrounding residential neighborhoods and major employment and transportation corridors. Positioned directly at this intersection, the property benefits from enhanced visibility, access, and consistent traffic flow from multiple directions.

The area has experienced increasing investment activity driven by residential growth, commercial repositioning, and proximity to Hartsfield-Jackson International Airport. The location offers convenient access to major interstates including I-75, I-85, and I-20, as well as Downtown Atlanta. Continued development in the surrounding submarket positions this asset to benefit from long-term appreciation and sustained demand for well-located commercial properties.

FLEXIBLE OCCUPANCY POTENTIAL

The existing building configuration provides flexibility for single or multi-tenant occupancy, allowing an owner-user to occupy a portion of the space while generating supplemental rental income from the remaining suite.

This flexibility creates multiple operational and investment strategies while reducing occupancy risk and enhancing long-term leasing potential.
