Per Pittsfield Charter Township, the **BD Business District** is intended to provide a zoning district that encourages creative, well-planned, employment-intensive mixed research, office, and commercial development in a campus-like setting.

The district encourages consistent and uniform site layouts, architecture designed to attract business and light industry that is clean and unobtrusive to surrounding properties, development opportunities for high-skill jobs close to residential areas, thus reducing travel time and relieving any strain on the transportation infrastructure, expansion of employment opportunities by emphasizing employment-intensive uses; and providing a setting that is aesthetically pleasing.

The Pittsfield Township Non-Residential Use Table maybe viewed by clicking: [BD Business District](#)
