Why Nevada

Nevada is one of the most business-friendly states as it offers a very low-regulation environment. This platform offers a variety of incentives to help qualifying companies make the decision to do business in the state of Nevada. Both Money and Forbes Magazines have named the Silver State one of the most business-friendly in the country.

Nevada ranks as the 7th best state in the Tax Foundation's 2024 State Business Tax Climate Index. This index is an independent ranking of states in five areas of taxation: corporate taxes, individual income taxes, sales taxes, unemployment insurance taxes, and taxes on property, including residential and commercial property.

In comparison, the Tax Foundation's 2024 Tax Climate Index rankings for our neighboring states are significant: California ranks 48th, Arizona 14th, Idaho 16th, Oregon 28th, and Utah 8th.
