Situated strategically near a network of major freeways and state routes, LogistiCenter® at 60 Freeway stands as an exceptional industrial facility that optimizes efficiency and convenience. Its prime Inland Empire West location allows for seamless access to arterial roadways, enabling swift transportation to and from the facility.

This property enjoys the unparalleled advantage of being in close proximity to the thriving (60) Freeway, as well as the (57), (71), & (15) Freeways. As one of Southern California's major east-west corridors, the (60) Freeway serves as a crucial lifeline for transportation. This freeway effortlessly connects the property to prominent destinations, facilitating seamless movement of goods and materials.

With the advantage of being close to these prominent freeways, LogistiCenter® at 60 Freeway empowers businesses to optimize their operations. The efficient transportation network allows for swift delivery of goods and seamless access to suppliers and clients.

Location

LogistiCenter® at 60 Freeway advantageous positioning offers unparalleled connectivity and seamless access to global markets.

For businesses that rely on efficient logistics and international trade, the proximity to major airports such as the Ontario International Airport (ONT) and Los Angeles International Airport (LAX) is a significant advantage. These airports provide convenient access to domestic and international destinations, allowing for swift transportation of goods and seamless connectivity to markets.

In addition to airports, LogistiCenter® at 60 Freeway is also conveniently situated near major ports, including the Port of Long Beach and the Port of Los Angeles. These ports are known for their extensive networks and serve as vital gateways for international trade. Having such close proximity to these ports ensures efficient import and export operations, enabling businesses to streamline their supply chains and reach customers and suppliers worldwide.

The strategic Inland Empire West location of LogistiCenter® at 60 Freeway in relation to major airports and ports positions businesses for success in the global marketplace. The seamless connectivity and accessibility to these transportation hubs not only enhance operational efficiency but also provide businesses with a competitive edge in the industrial sector.

Foreign Trade Zone (“FTZ”)

Designation Underway

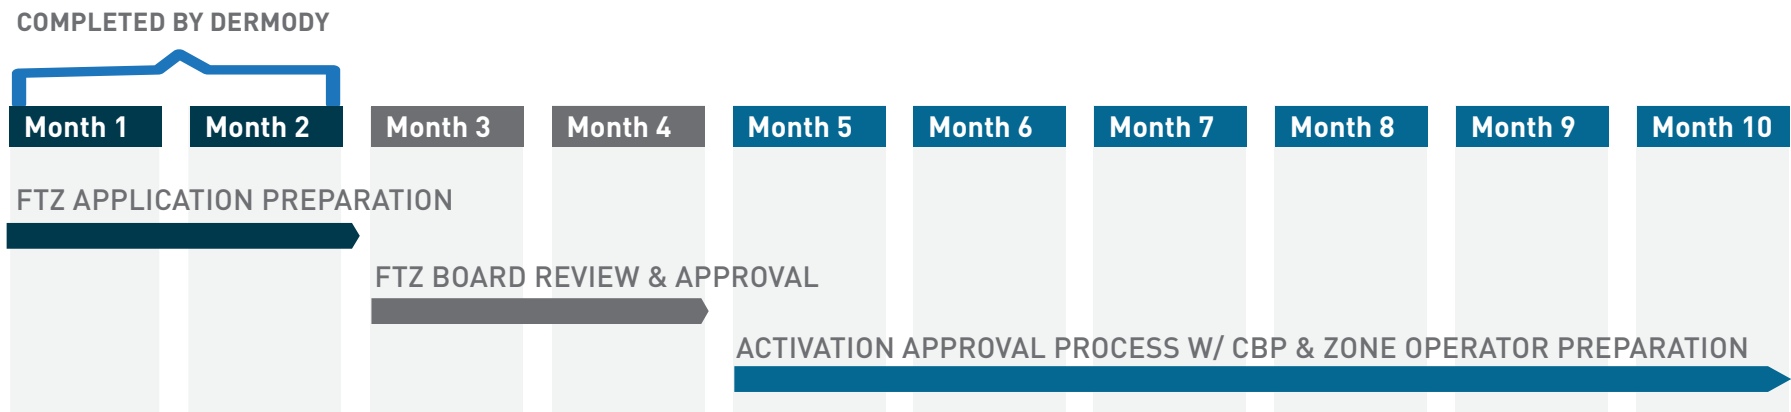

What is a Foreign Trade Zone?

A US Foreign-Trade Zone (FTZ) is a secure geographical area authorized by the federal government, where commercial merchandise, both domestic and foreign, is outside the commerce of the US for Customs purposes.

Benefits of Operating in an FTZ

- Duty Deferral
- Duty Reduction and Elimination
- Duty Inversion
- Duty Free Export/Scrap
- Merchandise Processing Fee Reduction via Weekly Entry
- Improved Supply Chain Velocity

FTZ Timeline

3 Step Process to Apply for and Operate FTZ

Step 1: Obtain sponsorship with local Grantee who administers local FTZ project.

Step 2: Apply for FTZ designation and approval with FTZ Board (Department of Commerce).

Step 3: Submit activation package to local Customs and Border Protection (CBP) for approval as CBP oversees compliance in the FTZ.

About Dermody

Dermody is a privately-owned real estate investment, development and management firm that specializes in the acquisition and development of logistics real estate in strategic locations for e-commerce fulfillment centers, third-party logistics and distribution customers. Founded in 1960, Dermody has invested more than \$10 billion of total capital across all platforms nationwide, having acquired and developed approximately 110 million square feet of logistics and industrial facilities. In addition to its corporate office in Reno, Nevada, it has regional offices in Atlanta, Chicago, Dallas, Indianapolis, New Jersey, Northern California, Phoenix, Seattle and Southern California.

For more information, visit www.Dermody.com.

About the LogistiCenter® Brand

LogistiCenter® is a national trademark brand, owned and developed by Dermody. It represents the firm's business philosophy of developing Class A distribution facilities that meet the supply-chain requirements of the most innovative companies. All LogistiCenter® facilities are designed to meet best practices in sustainable design and construction, and incorporate building features, such as additional clear height and extra trailer and car parking, that enable companies to execute their operations more effectively and efficiently.

About Cushman & Wakefield and Lee & Associates

Cushman & Wakefield is a global leader in commercial real estate services, with 52,000 employees in over 400 offices in 60 countries. In Southern California, the firm has five offices with over 150 brokerage professionals covering all submarkets and product types.

Lee & Associates offices are each owned and operated by its real estate brokerage professionals. As shareholders of the company, the brokers are separated from their competition – to provide seamless, consistent execution and value-driven market services to its clients.
