**DISCLAIMER:**  
 The ideas and design concepts expressed herein and the graphically displayed arrangement of their components represented by this drawing have been developed for the exclusive use of the specified project and are the sole property of Michigan Engineered Comfort Corporation.

It is the nature of building surveys that there is likely to be some discrepancies between dimensions indicated and measured on the drawing and actual measurements taken in the field. These drawings have been prepared with the utmost care to minimize such discrepancies. Always verify critical dimensions, before construction.
