LOCATION OVERVIEW

Wilsonville, Oregon's industrial area is a significant economic hub located along the I-5 corridor, providing excellent access to transportation networks. Prominent industrial parks support various manufacturing and logistics operations in Wilsonville. The industrial area benefits from the city's investment in infrastructure, making it attractive for business requiring large-scale facilities. Additionally, Wilsonville's strategic location between Portland and Salem enhances its appeal as a business destination, supporting both local and regional economic activities.
