EACH WAREHOUSE SPACE EQUIPPED WITH LARGE ROLL-UP LOADING DOOR

Disclaimer: Individual unit sizes are calculated based on **Rentable Area**, which includes both your exclusive use area (such as your office or warehouse) and your proportionate share of the building's common areas. These common areas ensure you have access to shared amenities, including the interior loading areas, lounge and kitchen spaces, main lobby, and overall circulation areas. The building operates with a **load factor of 41.6%**, meaning the Rentable Area is larger than the exclusive use area to fairly allocate the cost of these shared amenities.
