PROPERTY OVERVIEW

Exceptional opportunity to acquire one of the few commercially zoned parcels in the heart of Placitas, New Mexico. Located at 221 Highway 165, this rare offering sits within the village's primary commercial corridor and directly adjacent to the area's established shopping center, making it one of the most visible and strategically positioned commercial sites in the community.

The property features flat, graded, and development-ready land, allowing for an efficient path toward construction and significantly reducing initial site work costs. With strong frontage along Highway 165 and easy accessibility, the site is ideally suited for a variety of commercial uses including retail, restaurant, office, medical, mixed-use, or neighborhood service businesses.
