LOCATION

Hertford is an historic county town located amongst some of Hertfordshire's most attractive countryside. The town centre, which is a designated Conservation Area, offers a most attractive shopping, working and recreational environment.

The M25 is situated just 8 miles to the south whilst the A414 dual carriageway links the town to the A1(M) at Hatfield and the M11 at Harlow. Transport communications are excellent with Hertford East station (offering frequent train journeys to Liverpool Street) situated close by and Hertford North (Moorgate) also easily accessible.

The property occupies a very convenient setting on a small modern trading estate on the edge of the town centre. Priory Street is accessed from Railway Street immediately to the east of the town centre next to Bluecoats.

ACCOMMODATION

A mid-terraced, two-storey business unit of brick construction beneath an insulated pitched roof. Internally, the property benefits from a high lofted ceiling within which a single-storey first-floor office/studio area has been created.

The ground floor comprises an open-plan area suitable for storage, warehouse or light workshop use and benefits from lighting, a loading door and a single WC facility. The height to the underside of the first floor is approximately 2.40m.

An internal staircase at the front of the unit provides access to the first floor, which comprises an open-plan office together with a partitioned storeroom to the rear. The accommodation features lighting, electric heating, power and data points, carpeting and a tea point facility.
