PROPERTY ADDRESS 1811 East Carson Street, Pittsburgh, PA 15203
OWNER(S)/SELLER(S) Christine Novak
BUYER(S) _____

This form is not a substitute for the West Penn Multi-List, Inc. (WPML) Seller Disclosure Statement, but rather is a supplement to the disclosure forms required by the Pennsylvania Seller Disclosure Law as may be amended. The WPML is not responsible for the information contained herein. This form is to be completed by Seller and thoroughly reviewed by Buyer, and the bottom of each page should be initialed by both Buyer and Seller following this review. Surface and subsurface rights may be transferred together, but sometimes they are transferred separately. Despite the best intentions of Sellers, property owners are often not aware of the precise extent of the coal, oil, gas and/or mineral interests/rights that they may or may not own. The following has been completed by Seller to indicate Seller's knowledge of and intentions about the coal, oil, gas and/or mineral interests and/or rights for the Property. This form is not a substitute for any inspections or warranties that Buyer may wish to obtain. Buyer has the right and opportunity to obtain a complete mineral/oil and gas title search to verify the chain of title of the mineral/oil and gas rights for the subject Property. The responses provided below are given to the best of Seller's knowledge and may not reflect all coal, oil, gas and/or mineral interests/rights for the Property. The statements contained herein are not a warranty of any kind by Seller or a warranty or representation by any listing real estate broker, any selling real estate broker, their licensees or the WPML. Buyer is advised to conduct a full examination of coal, oil, gas and/or mineral interests/rights for the Property.

1. RESERVATION OF COAL, OIL, GAS AND/OR MINERAL INTERESTS/RIGHTS

(A) Seller is reserving the following coal, oil, gas and/or mineral interests/rights as indicated, and such rights are not being transferred to Buyer:

- Coal _____
- Oil _____
- Gas _____
- Minerals _____
- Other _____

This reservation(s) will be executed in its entirety at settlement, unless otherwise indicated.

- (B) Seller's reservation does not apply to domestic free gas and surface damage interests/rights, as described herein.
- (C) Any warranty of title identified in the Agreement of Sale does not pertain to the coal, oil, gas and/or mineral interests/rights that are reserved by Seller. Seller will not defend title to these interests/rights and does not covenant that Buyer will have quiet enjoyment of these interests/rights.

2. COAL, OIL, GAS AND/OR MINERAL INTERESTS/RIGHTS EXCEPTED

(A) Seller is aware that the following coal, oil, gas, mineral and/or surface rights/interests have been previously leased, sold or otherwise conveyed by Seller or a previous owner of the property (exceptions) as indicated and is not transferring them to Buyer:

- Coal _____
- Oil _____
- Gas _____
- Minerals _____
- Other _____

(B) Buyer acknowledges that Seller's failure to disclose or identify an exception does not establish Buyer is entitled to such interests/rights. It cannot be presumed that Seller's failure to indicate an exception will entitle Buyer to all of those rights/interests. Buyer is advised to conduct a full examination of all coal, oil, gas and/or mineral rights/interests for the Property. Buyer further acknowledges his/her right to obtain a title search and/or to conduct a complete examination of all coal, oil, gas and/or mineral interests/rights for the Property. A typical title search examines transfers made during the previous sixty years and may not specifically research surface or subsurface rights that have been sold or leased by a previous owner. Buyer is advised to ask their title agent about the scope and depth of the title search performed prior to deciding whether to waive or elect a title search contingency pertaining to oil, gas, mineral and/or surface rights.

(C) Buyer acknowledges the warrant of title in the Agreement of Sale does not pertain to the coal, oil, gas and/or mineral interests/rights that have been excepted. Seller will not defend title to these interests/rights and does not covenant that Buyer will have quiet enjoyment of these interests/rights.

(D) Oil, gas and/or mineral rights and interests that have been previously conveyed are commonly transferred numerous times, with or without proper recording or notice, from owner to owner as well as by corporate acquisitions. Buyer understands that any information provided by Seller herein about Seller's knowledge of the excepted rights is only given to the best of Seller's ability and may not be current.

305 of Property enrolled in the Clean and Green Program may result in the loss of program enrollment and the loss of preferential tax

306 assessment for the Property and/or the land of which it is a part and from which it is being separated. Removal from enrollment

307 in the Clean and Green Program may result in the charge of roll-back taxes and interest. A roll-back tax is the difference in the

315 between the owner and county is binding upon any Buyer of the Property during the period of time that the covenant is in effect

316 (5 or 10 years). Covenants automatically renew at the end of the covenant period unless specific termination notice procedures

317 are followed. When a breach of the covenant occurs, the then-owner is required to pay roll-back taxes and interest. A roll-back

318 tax is the difference in the amount of taxes paid and the taxes that would have been paid in the absence of the covenant. The

319 roll-back taxes are charged for each year that the Property was subject to the covenant, limited to the past 5 years.
