# PROPERTY SUMMARY

## EXECUTIVE SUMMARY

2-23 Beach 101st Street presents a compelling multifamily investment opportunity in the Far Rockaway section of Queens. This well-maintained 32-unit brick building was constructed in 2012 and offers modern construction with long-term durability. The property is fully occupied, providing immediate and stable cash flow for investors. Residents benefit from on-site parking, a valuable amenity in the area, while the building's contemporary layout and solid condition minimize near-term capital expenditures. Ideally located near public transportation, local retail, and the Rockaway waterfront, this asset is well positioned within a growing residential market.

## LOCATION OVERVIEW

Ideally situated 2-23 Beach 101st Street is located in the Far Rockaway section of Queens, a neighborhood experiencing continued residential growth and investment activity. The property benefits from proximity to major transportation options, including the A train at Beach 98th Street and multiple bus lines, providing convenient access throughout Queens, Brooklyn, and Manhattan. Nearby amenities include local supermarkets, pharmacies, restaurants, and public facilities, making this a desirable location for long-term residential tenants and investors seeking stability in a well-connected coastal market.
