

SELLER'S PROPERTY DISCLOSURE STATEMENT

SPD

This form recommended and approved for, but not restricted to use by, the members of the Pennsylvania Association of Realtors® (PAR).

1 **PROPERTY 480 S Ben Franklin Rd, Indiana, PA 15701**

2 **SELLER Bernard K. Bruns, Margaret A. Bruns**

3 **INFORMATION REGARDING THE REAL ESTATE SELLER DISCLOSURE LAW**

4 The Real Estate Seller Disclosure Law (68 P.S. §7301, et seq.) requires that before an agreement of sale is signed, the seller in a residential
5 real estate transfer must disclose all known **material defects** about the property being sold that are not readily observable. A **material defect**
6 is a problem with a residential real property or any portion of it that would have a significant adverse impact on the value of the property or
7 that involves an unreasonable risk to people on the property. The fact that a structural element, system or subsystem is at or beyond the end
8 of its normal useful life is not by itself a material defect.

9 This property disclosure statement ("Statement") includes disclosures beyond the basic requirements of the Law and is designed to assist
0 Seller in complying with disclosure requirements and to assist Buyer in evaluating the property being considered. Sellers who wish to see
1 or use the basic disclosure form can find the form on the website of the Pennsylvania State Real Estate Commission. Neither this Statement
2 nor the basic disclosure form limits Seller's obligation to disclose a material defect.

3 This Statement discloses Seller's knowledge of the condition of the Property as of the date signed by Seller and **is not a substitute for any**
4 **inspections or warranties** that Buyer may wish to obtain. **This Statement is not a warranty of any kind by Seller or a warranty or rep-**
5 **resentation by any listing real estate broker, any selling real estate broker, or their licensees.** Buyer is encouraged to address concerns
6 about the condition of the Property that may not be included in this Statement.

7 **The Law provides exceptions (listed below) where a property disclosure statement does not have to be completed. All other sellers**
8 **are obligated to complete a property disclosure statement, even if they do not occupy or have never occupied the Property.**

- 9 1. Transfers by a fiduciary during the administration of a decedent estate, guardianship, conservatorship or trust.
- 0 2. Transfers as a result of a court order.
- 1 3. Transfers to a mortgage lender that results from a buyer's default and subsequent foreclosure sales that result from default.
- 2 4. Transfers from a co-owner to one or more other co-owners.
- 3 5. Transfers made to a spouse or direct descendant.
- 4 6. Transfers between spouses as a result of divorce, legal separation or property settlement.
- 5 7. Transfers by a corporation, partnership or other association to its shareholders, partners or other equity owners as part of a plan of
6 liquidation.
- 7 8. Transfers of a property to be demolished or converted to non-residential use.
- 8 9. Transfers of unimproved real property.
- 9 10. Transfers of new construction that has never been occupied and:
 - 0 a. The buyer has received a one-year warranty covering the construction;
 - 1 b. The building has been inspected for compliance with the applicable building code or, if none, a nationally recognized model
2 building code; and
 - 3 c. A certificate of occupancy or a certificate of code compliance has been issued for the dwelling.

4 **COMMON LAW DUTY TO DISCLOSE**

5 Although the provisions of the Real Estate Seller Disclosure Law exclude some transfers from the requirement of completing a disclo-
6 sure statement, the Law does not excuse the seller's common law duty to disclose any known material defect(s) of the Property in order
7 to avoid fraud, misrepresentation or deceit in the transaction. **This duty continues until the date of settlement.**

8 **EXECUTOR, ADMINISTRATOR, TRUSTEE SIGNATURE BLOCK**

9 According to the provisions of the Real Estate Seller Disclosure Law, the undersigned executor, administrator or trustee is not required
0 to fill out a Seller's Property Disclosure Statement. **The executor, administrator or trustee, must, however, disclose any known**
1 **material defect(s) of the Property.**
