87-Acre Industrial Park · Interstate 10 at Fremaux Avenue, Slidell, LA

# Louisiana's Global Gateway for Business

Fremaux Park is a planned, 280-acre development in Slidell, Louisiana, with Interstate 10 visibility and access. The Park includes parcels for a variety of uses including multi-family, hotel, office, medical, and industrial. The entire park is zoned C-4 and the wetlands have been mitigated. With all necessary infrastructure and utilities in place, Fremaux Park stands as the first choice for seamless development and operational readiness in St. Tammany Parish and the Greater New Orleans region.

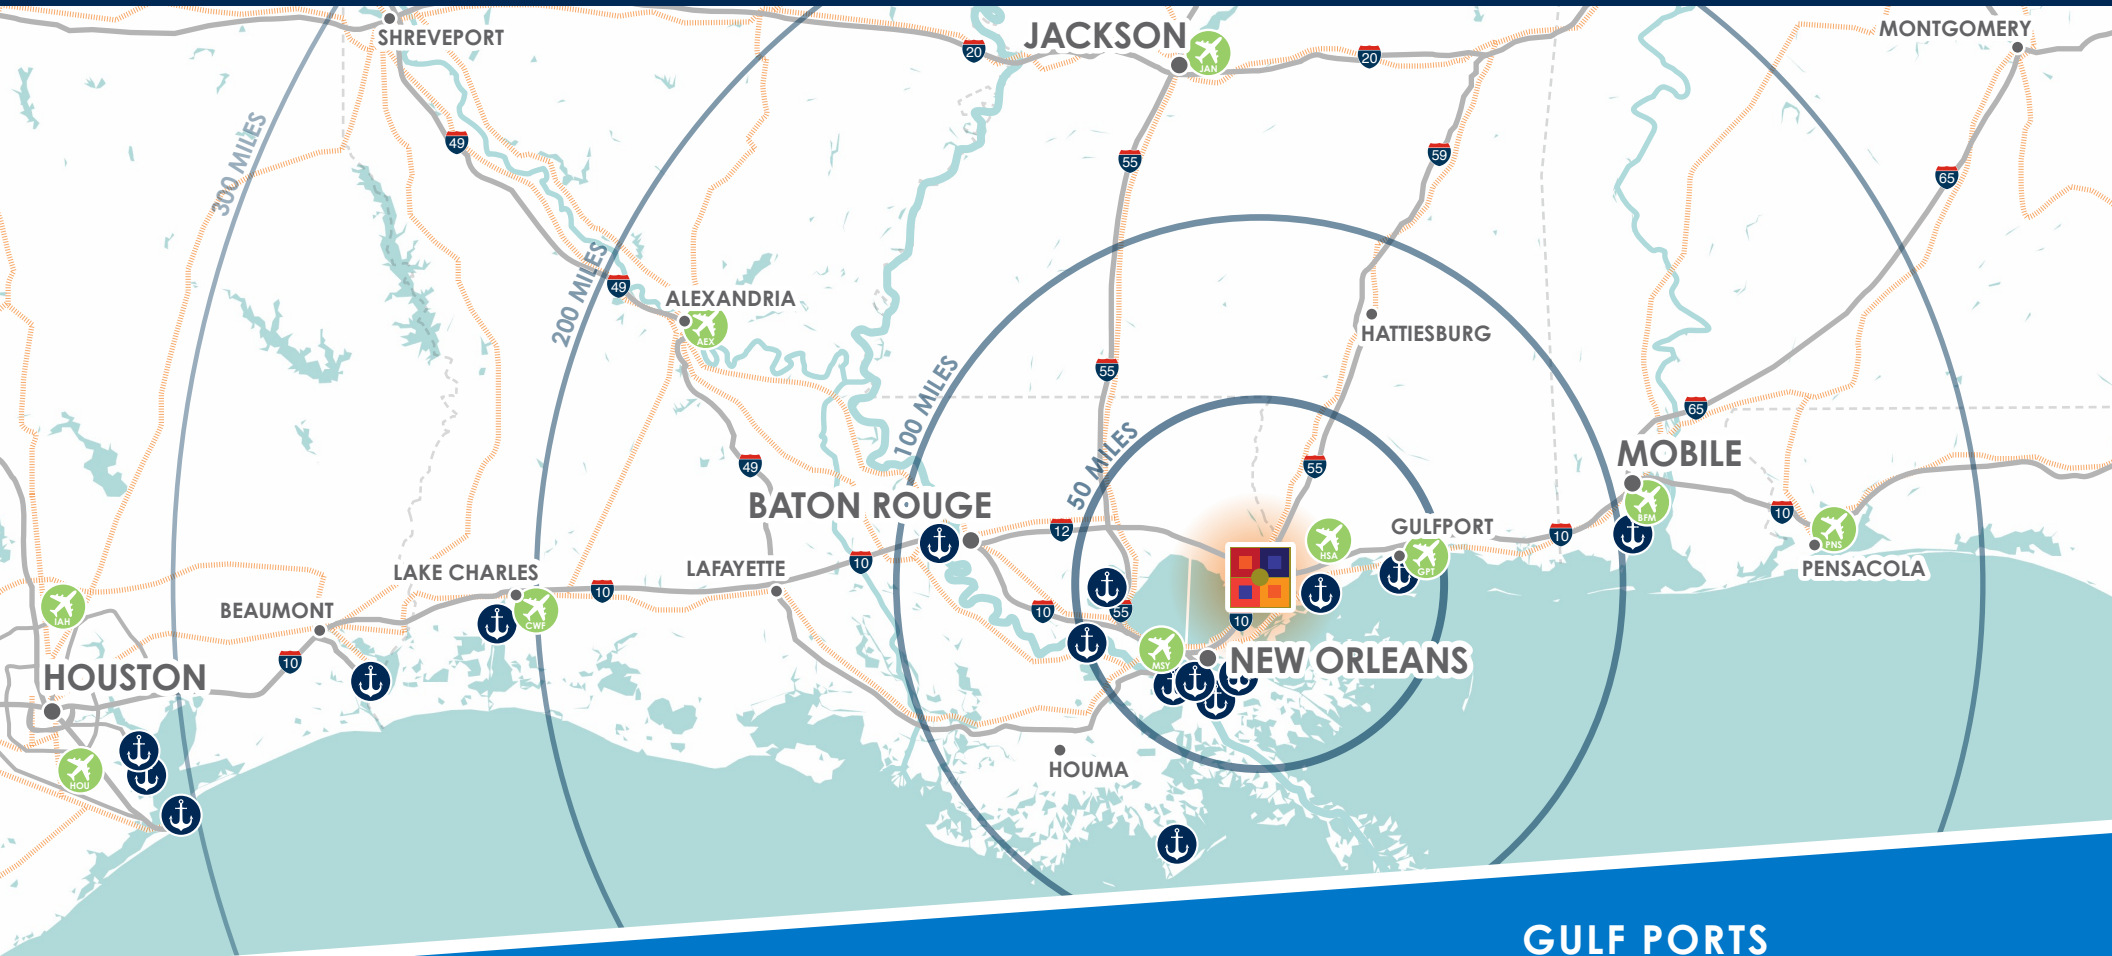

Fremaux Park boasts a plethora of on-site amenities, setting it apart from other locations. Adjacent to The Park is Fremaux Town Center, a sprawling open-air shopping center spanning over 600,000 square feet. It offers a diverse array of retail and service tenants like Dillard's, Kohl's, Dick's Sporting Goods, Gensis Health Club, Best Buy and many more. The shopping center also features a variety of delicious dining options with Walk-On's Sports Bistreaux, BJ's Restaurant & Brewhouse, Cheddar's Scratch Kitchen, LongHorn Steakhouse, and Panera Bread to name a few. Within Fremaux Park are two multi-family residential developments: The Mason at Fremaux Park boasting 278 units and The Retreat at Fremaux Town Center with 280 units. Springhill Suites by Marriott and Home2 Suites by Hilton (coming soon) are on-site to cater to short-term stays.

The industrial sector at Fremaux Park presently hosts an Amazon Distribution Center and Horsburgh & Scott. Future development will consist of light manufacturing and distribution facilities, offering adaptable parcels ranging from 1 to 87 acres to accommodate various occupants. Flexible building designs aim to cater to a broad spectrum of potential tenants, fostering the growth and integration of businesses within the Park. Moreover, the proximity to amenities such as Fremaux Town Center, hotels, and apartment complexes enhances the Park's appeal for workforce development and retention. Future structures will utilize the highest quality Class A materials and finishes and prioritize environmental sustainability. Additionally, they will be equipped with cutting-edge technology, featuring high-speed, dedicated fiber suitable for the most demanding corporate technological needs.
