EXECUTIVE SUMMARY

These 2 ±1,500 SF industrial/flex condominium unit offers a functional blend of front-loaded office (approximately 25%) and rear warehouse space, designed to support light industrial, service, and storage operations. The property features 13' clear heights, two grade-level overhead door, and approximately ±1,400 SF of secure, fenced outdoor storage, providing valuable flexibility for trade-oriented users requiring both indoor and outdoor operational capacity.

Built in 1999 and zoned I-1 (Business/Tech District), the unit is well-positioned for small business owner-users seeking efficient, adaptable space within a business-friendly zoning environment. The practical layout, dedicated storage area, and clear-height functionality make this an attractive opportunity for users prioritizing operational efficiency and long-term usability.

For users requiring additional space, Units G and H—two identical, side-by-side units—may be purchased together, offering approximately ±3,000 contiguous square feet of combined space along with expanded, combined secured yard areas.
