An aerial photograph of a town square in Acworth, Georgia. The scene is dominated by a railroad crossing with a large, ornate steel truss pedestrian bridge spanning over the tracks. The bridge has two brick pillars with gabled roofs. The tracks run diagonally from the bottom left towards the top right. On the left side of the tracks, there are several multi-story brick buildings, some with white facades and arched windows. A parking lot with several cars is visible in the lower left. On the right side of the tracks, there are more buildings, including a large white industrial-style building. A road with a double yellow line runs parallel to the tracks on the right. The background is filled with dense green trees under a clear blue sky.
