ZONING INFORMATION

B-2 - GENERAL BUSINESS DISTRICT

B-2 districts: General business districts. These districts are composed of land and structures occupied by or suitable for uses furnishing, in addition to the retail goods and services supplied by the neighborhood business districts, the wider range of retail goods and services required by residents of a group or community of neighborhoods, and by the city generally. Usually located on a thoroughfare or highway or near the intersection of principal thoroughfares or highways, these districts are large and within convenient distance of the area they serve. The district regulations are designed to permit the development of the districts for their purpose in a spacious arrangement of uses and structures. To protect the abutting and surrounding residential areas, certain requirements are placed on uses. It is intended that additional general business districts will be created, in accordance with the amendment procedure of this ordinance, as they are needed to serve groups of new neighborhoods or the city generally.
