# CONFIDENTIALITY & RESTRICTED USE AGREEMENT

This Confidential Summary ("CS") is provided by Coldwell Banker Commercial Devonshire Realty ("CBCDR"), solely for your consideration of the opportunity to lease the commercial property described herein (the "Property"). This CS may be used only as stated herein and shall not be used for any other purpose, or in any other manner, without prior written authorization and consent of CBCDR.

This CS does not constitute or pertain to an offer of a security or an offer of any investment contract. This CS contains descriptive materials, financial information and other data compiled by CBCDR for the convenience of parties who may be interested in the Property. Such information is not all inclusive and is not represented to include all information that may be material to an evaluation of the leasing opportunity presented. CBCDR has not independently verified any of the information contained herein and makes no representations or warranties of any kind concerning the accuracy or completeness thereof. All summaries and discussions of documentation and/or financial information contained herein are qualified in their entirety by reference to the actual documents. An interested party must conduct its own independent investigation and verification of any information the party deems material to consideration of the opportunity, or otherwise appropriate, without reliance upon CBCDR.

The Property may be leased or withdrawn from the market without notice, and its owner(s) reserve(s) the right to negotiate with any number of interested parties at any time.

BY ACCEPTING THIS CS, YOU AGREE THAT: (1) all information contained herein, and all other information you have received or may hereafter receive from CBCDR relating to the Property, whether oral, written or in any other form (collectively, the "Information"), is strictly confidential; (2) you will not copy or reproduce, and claim as your own without attribution to CBCDR, all or any part of this CS or the Information; (3) upon request by CBCDR at any time, you will return and/or certify your complete destruction of all copies of this CS and the Information; (4) for yourself and all your affiliates, officers, employees, representatives, agents and principals, you hereby release and agree to indemnify and hold harmless CBCDR all of its affiliates, officers, employees, representatives, agents and principals, from and with respect to any and all claims and liabilities arising from or related to the receipt or use of this CS and/or any other Information concerning the Property; (5) you will not provide this CS or any of the Information to any other party unless you first obtain such party's acceptance and approval of all terms, conditions, limitations and agreements set forth herein, as being applicable to such party as well as to you; and (6) monetary damages alone will not be an adequate remedy for a violation of these terms and that CBCDR shall be entitled to equitable relief, including, but not limited to, injunctive relief and specific performance, in connection with such a violation and shall not be required to post a bond when obtaining such relief.

## PROPERTY OVERVIEW

---

The University of Illinois established the Research Park to attract leading high-technology companies, accelerate the commercialization of University-driven innovation, and foster long-term **economic growth**. Today, it stands as one of the premier university-affiliated research parks in the country.

The Research Park creates a dynamic environment where technology-based businesses collaborate directly with University of Illinois faculty and students. Tenants benefit from proximity to world-class **laboratories, specialized equipment, and research resources** – enabling strategic partnerships that advance product development, applied research, and commercialization initiatives.

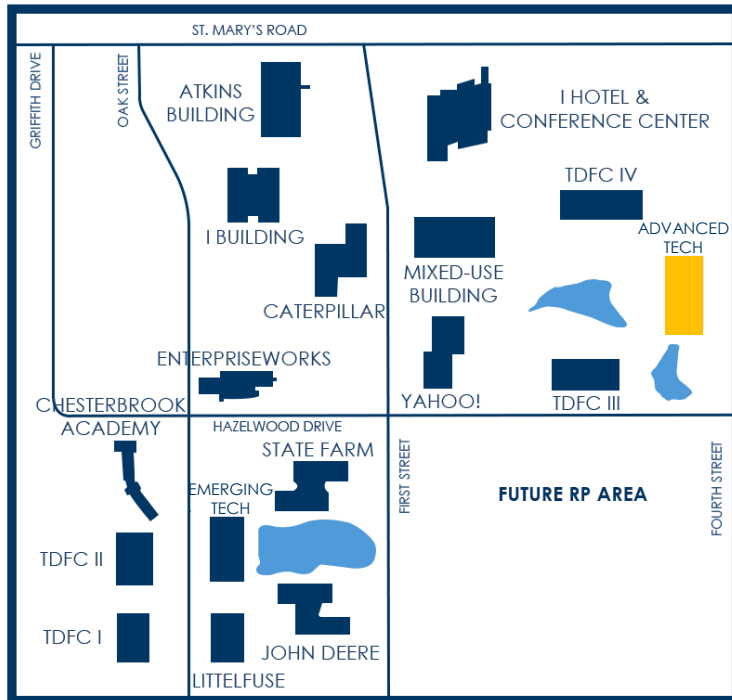

Companies located within the Research Park receive **Allied Agency status** with the University of Illinois, providing streamlined access to campus resources and strengthening integration with the broader academic ecosystem.

Just minutes from central campus, the Research Park is home to more than **120 companies** employing approximately **2,000 professionals** in high-technology fields. At any given time, there are ~800 University of Illinois student interns at work within the Park, contributing leading-edge technical expertise while gaining hands-on experience in corporate research, engineering, and product development.

With its vibrant entrepreneurial culture, direct access to talent, and strong institutional support, the University of Illinois Research Park offers a uniquely collaborative setting for companies seeking innovation, growth, and competitive advantage.

## RESEARCH PARK BENEFITS

### FOSTER A COLLABORATIVE RELATIONSHIP WITH THE UNIVERSITY OF ILLINOIS

Develop new ideas for joint innovation and research to address company needs. Receive faculty input on latest innovations and challenges. The on-campus location provides access to early awareness and tracking of trends, helping innovate based on academic and industry early emerging technologies and strategies.

### EMPLOY STUDENT INTERNS & GRADUATE RESEARCH ASSISTANTS

Students can easily be employed for cost effective access to a high caliber workforce as a supplemental staffing solution for R&D work and a future recruiting pipeline to create and retain intellectual property.

### HIRE FACULTY AS CONSULTANTS

Faculty may work up to 20% of their time on outside business. Key faculty could be efficiently employed for research and help managing student projects.

### SUPPLEMENT RESEARCH WITH UNIVERSITY SPONSORED RESEARCH

If a company has a need for targeted access to faculty expertise on specific projects, a sponsored research agreement can be established.

### FACILITY USE AGREEMENTS FOR LAB ACCESS

Research Park companies have access to University labs through fee-for-use Facility Use Agreements. Research Park companies have discounted indirect cost recovery fees. These high-tech facilities can supplement Research Park and corporate facilities.

### ENTREPRENEURIAL ENVIRONMENT

Interactions with cutting edge new companies in the Incubator that are leveraging SBIR and other federal grants to develop the newest technologies that can be commercialized. Create a new offsite entrepreneurial setting for innovators to develop new concepts.

### PEER-TO-PEER LEARNING

Companies can interact with other leading corporations that have established R&D offices in the Research Park, non-industry specific best practices can be applied such as data mining and analytics.

### RETAIN INTELLECTUAL PROPERTY

Work done at the Research Park by student employees and paid interns will result in intellectual property ownership by companies rather than the University.
