This offering memorandum is intended for only the party receiving it from Merit Commercial Real Estate ("MCRE"), and should not be made available to any other reviewing entity without the prior written consent of MCRE. All information included in this offering memorandum has been obtained from sources deemed reliable, however, Owner, MCRE, and/or their representatives make no representations or warranties, expressed or implied, as to the accuracy of the information, and makes no warranty or representation into the exact state of the property, the presence of contaminating substances, PCB's or asbestos, the property or owner's compliance with State and Federal regulations, or the physical condition of any improvements on the property. The recipient of this document must independently verify the information and assumes any and all risk for inaccuracies contained herein. The information contained in this offering memorandum is not a substitute for a thorough due diligence investigation.

Executive Summary

Merit Commercial Real Estate is pleased to exclusively present **710 Jefferson Avenue**, a quality industrial CPG and/or co-packing facility located in Ashland, Oregon (the "Property").

The Property is situated on one 0.64 acre lot within the E-1 (Employment Commercial zoning), which allows for various light industrial and distribution/manufacturing uses. With a ±1 minute/0.3 mile short drive to Interstate-5 access, the Property provides strong connectivity for regional distribution, shipping, and logistics users.

The building itself is an extremely high-quality and efficient ±14,812 SF purpose-built co-packing and food-adjacent production facility that has undergone a recent and significant remodel with substantial volumes of systems and equipment.

The Property features a highly efficient and functional layout. The publicly-accessible office with multiple private offices, kitchen, restrooms, and conference room leads to multiple separate yet contiguous production and packaging areas.

The production areas themselves have numerous amounts of specialty equipment throughout and a diverse range of exterior and interior overhead doors allowing for easy accessibility for high-volume users (included FF&E is negotiable).

Additionally, the current build-out includes a commercial-grade kitchen, cold storage room, a break room, locker room, restrooms, a mezzanine level, and a designated shipping area located on the easternmost side of the building with two dock-high doors.

Outside, the Property has secure chain link and razor wire fencing around a paved yard. Prospective buyers should note that the Property uses a shared access driveway

The opportunity at 710 Jefferson Avenue is clear for prospective buyers and users. Reduce your time to revenue by stepping into a turnkey interstate-adjacent CPG facility.

Buyer is responsible for any and all due diligence. Contact the listing brokers today for additional information.

Parking:	6 marked spaces & abundant street parking
Construction:	CMU structure with significant recent interior updates and buildout Slab on grade foundation Newer TPO roofing 18' - 19' interior clear heights
Other Systems:	Numerous other specialty equipment and smaller loose machines/tools/FF&E throughout (see page 6)

Proven Commercial Corridor
The Site is located in a well-established commercial corridor featuring nearby office, retail, and light industrial operations.

Security/Access/Yard
Key pad entry system on doors. Chain link fencing around loading docks/yard, sliding manual gate. Front asphalt yard with 6 marked parking spaces and street parking.

Utilities
All utilities are public. Electricity via Pacific Power. Water and Sewer via Ashland Water Department. Natural gas via Avista.

Electrical Systems
600+ amp 3-phase power with 120/208V and 277/480V systems throughout, majority Siemens panels.

Access Doors
(4) 10'x10' OH doors; (1) 6.5'x7' and (1) 7'x8' interior grade doors; (1) 8'x10' high-speed OH door; (2) 8'x8' dock doors.

Specialty Processing & Safety Equipment
Specialty processing equipment includes five Harvest Saver R5-A dryers (varying ages), wall-mounted eyewash station, and much more.

Roof System
Newer TPO; unknown age. Metal gutters and scuppers with open interior plenum attic space.

Commercial Kitchen Equipment
Commercial kitchen includes stainless steel multi-bay sinks, Type-1 commercial kitchen hood w/ Ansul fire suppression system.

Plumbing
Plumbing supply/waste line material currently unknown, but no known issues. Multiple floor drains located throughout the building. Existing manifolded array of six Rinnai gas fueled tankless water heaters into two Rheem 115 gal. holding tanks. Additional Navien NPE-A series tankless gas fueled water heater on warehouse floor.

Structure & Foundation
Exposed CMU siding. Slab on grade foundation. Fixed/picture storefront windows with aluminum frames and dual-pane glass. 18' - 19' clear height.

Internet / Low Voltage
Served via Spectrum. Includes a small server rack in network closet.

Subject Property

Condition reports are estimates only and should not be relied upon nor substitute a full and complete property inspection. Image has been enhanced using AI and may not be accurate.

Systems & Infrastructure Overview

Systems & Infrastructure Inventory

1. Access Controls

Type: Keypad/PIN entry, badge/fob system
Equipment: Wall-mounted keypad + door hardware (no software/provided specified)
Condition: Appears functional, standard commercial hardware.

2. Electrical

Service: 600A main + additional services
Voltage: 120/208V and 277/480V systems
Phase: 3-phase power
Panels/Brands: Multiple Siemens panels
Configuration: Multiple panels throughout building.
Condition: Functional, ages vary widely.

3. Fencing / Security / Yard / Parking

Fencing: Chain link fencing around loading docks only; spiral razor wire above.
Gates: Sliding, manual operation. Padlock is only access control
Yard Surface: Asphalt
Lighting: Wall pack, fluorescent
Parking: ±6 striped spaces in good condition
Condition: Fair overall

4. Fire / Life Safety

Sprinklers: Not present
Fire Extinguishers: Present
Last Inspection: Sept 2025
Fire Alarm: Local system only, unsure if functional
Security System: Not currently present

5. Framing / Structure / Foundation

Structure: Masonry / CMU; slab on grade foundation
Siding: Exposed CMU (no additional siding)
Int. Clear Height: 18' Minimum; 19' Maximum

6. Internet / Low Voltage

Provider: Spectrum
Equipment: Small server rack in network closet

7. Roof

Material: Appears to be newer TPO
Age: Unknown
Gutters: Metal gutters and scuppers
Attic: Mostly open interior plenum space

8. HVAC

System Type: Rooftop packaged units (RTUs)
Fuel: Electric and natural gas
Distribution: Ducted (full building)
Unit Count: ±6-units; including 1 large/central unit and multiple medium-small units
Condition: In fair to good condition; ages ±12-23 yrs.

9. Natural Gas

Provider: Avista
of Meters: Two
Equipment: Standard diaphragm commercial gas meters
Condition: Appears modern/maintained

10. Overhead Doors / Loading

Grade Door Sizes: (4) 10'x10' + multiple interior doors (various sizes), (1) 8x10 high-speed OHD
Dock Door Sizes: (2) 8'x8'
Dock Height: 50 inches
Equipment: Standard sectional and roll-up doors
Condition: Good; Functional

11. Plumbing

Supply & Waste Lines: Unknown/not visible
Floor Drains: Yes (multiple throughout)
Water Heating: Manifold array of six Rinnai gas fueled tankless water heaters into two Rheem ST120 115 gal. holding tanks. Additional Navien NPE-A tankless gas water heater on warehouse floor.

12. Stormwater

System: Surface drainage
Type: Asphalt lot drains (north side)
Condition: Basic on-site drainage, functional

13. Water / Water Heating

Source: Municipal/public utility service
Metering: Single meter

14. Windows

Type: Aluminum Fixed/picture + storefront glass
Glazing: Dual-pane IGU
Condition: Good

15. Waste Management

Service: Unknown collection service
Equipment: Exterior dumpster
Recycling: Existing dumpster on site
Grease Trap: Not visible; to be confirmed

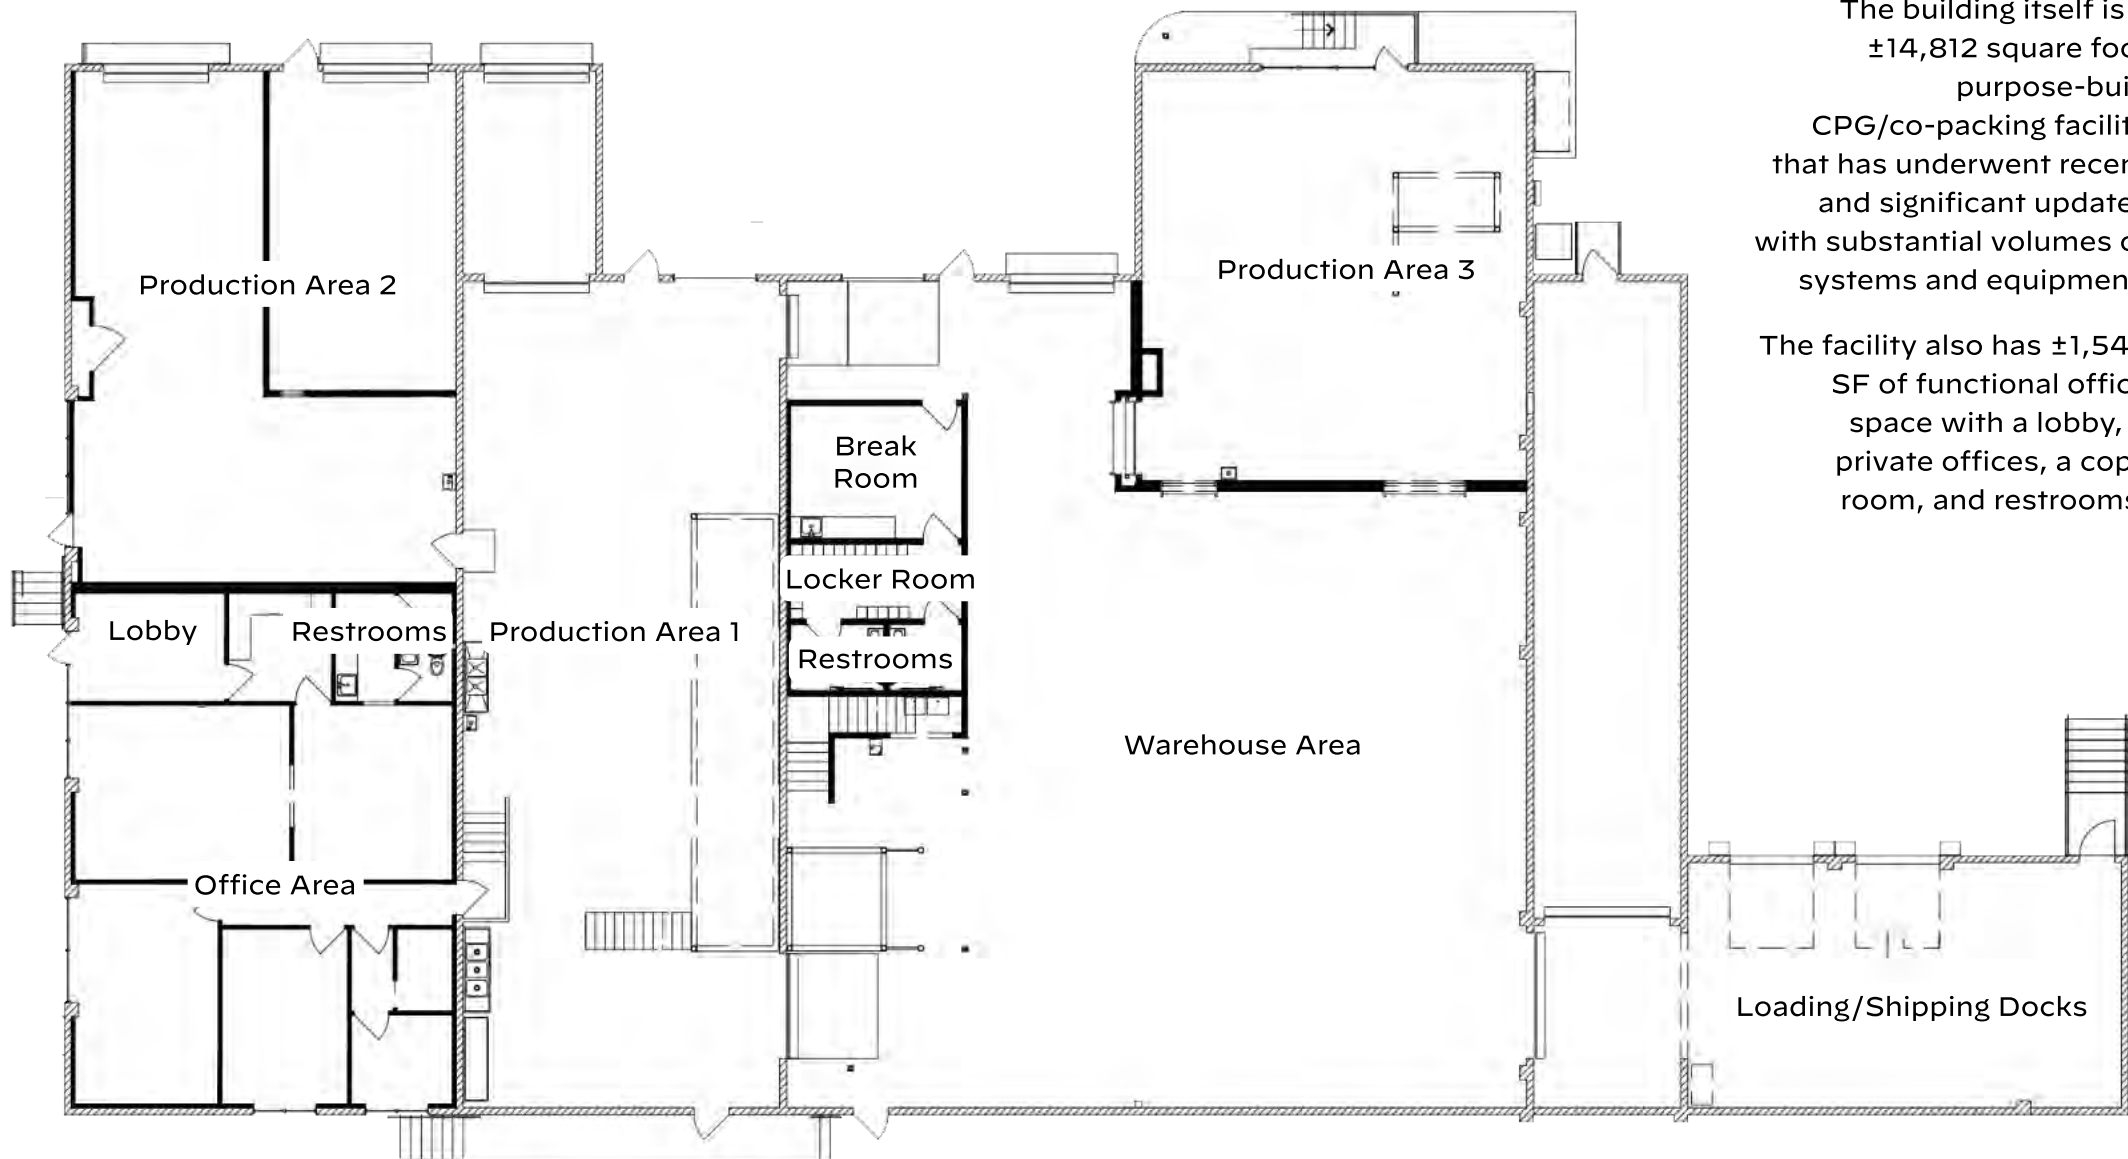

16. Other Systems / Equipment

Commercial Kitchen Infrastructure: Stainless steel multi-bay sinks, prep areas, and wash stations. Massive Type-1 commercial kitchen hood w/ Ansul fire suppression system.
Specialty Processing Equipment: Five Harvest Saver R5-A dryers, varying ages.
Emergency Safety Equipment: Wall-mounted eyewash station.
Secure Storage: Built-in wall safe with keypad access.
Air Compressor: Full Ingersoll-Rand industrial air compressor system w/ dryer
OHD Openers: Several Genie or comparable side-mounted overhead door lift motors, all appear to be in excellent condition.
Other: Numerous other speciality equipment and smaller loose machines/tools/FF&E throughout. Inclusions in sale to be determined prior to listing.
Disclosure: Merit Commercial Real Estate assumes no liability for any inaccuracies; information is provided from sources deemed reliable, but is not guaranteed.

Parcel boundaries are approximate and are for illustration purposes only.

Floor Plan Overlay

The building itself is a $\pm 14,812$ square foot purpose-built CPG/co-packing facility that has undergone recent and significant updates with substantial volumes of systems and equipment.

The facility also has $\pm 1,548$ SF of functional office space with a lobby, 5 private offices, a copy room, and restrooms.

Ashland, OR History and Profile

Ashland, Oregon - a charming city nestled in the foothills of the Siskiyou Mountains, renowned for its unique blend of cultural richness, outdoor recreation, and small-town appeal. With a population of just over 21,000, Ashland consistently ranks as one of the "Top 10 Small Cities in America" due to its high quality of life, vibrant arts scene, and well-preserved historic downtown. The city is home to the world-famous Oregon Shakespeare Festival, which attracts thousands of visitors annually, fueling the local tourism and hospitality industries.

Beyond its cultural attractions, Ashland offers a highly desirable environment for both residents and investors, with a strong economy driven by tourism, higher education, and healthcare. Southern Oregon University, along with a robust local food and wine scene, provides additional economic drivers and diversity. Ashland's proximity to major highways and its small-town charm make it a prime location for investment properties that cater to both locals and the growing number of visitors.

The City has a strong sense of community as well as a diverse economy. Within a 20 minute drive, the Rogue Valley International-Medford Airport is the regional air travel hub for all of Southern Oregon, with well over 1M annual travelers. Breathtaking outdoor recreational activities are moments away; Upper and Lower Table Rock, the Rogue River, dozens of lakes, as well as the Crater Lake National Park are all within an easy drive.

Why Southern Oregon?

Southern Oregon, largely encompassing Jackson and Josephine Counties, is a world-class gem hiding in plain sight. Anchored by its mild Mediterranean climate, the area boasts the winning combination of being both strategically located between Portland and San Francisco, and having forward-thinking municipal leadership. This combination drives strong economic growth and has created a long runway for development across all asset classes.

Southern Oregon is a gateway to the entirety of the West Coast, via Interstate 5, North through Eugene, Salem, Portland, and Washington State, and South, through Redding, San Francisco, and down to Los Angeles. The local transportation system connects the most populated cities in the region of Medford, Ashland, and Grants Pass, and has dedicated highways Northeast to Bend and West to the Oregon Coast.

Multiple billion-dollar companies call Southern Oregon home, such as Lithia Motors (NYSE: LAD), Asante Health Systems, Harry & David (NYSE: FLWS), Pacific Retirement Services, and countless small and mid-sized businesses.

Historically, the area's economy was mainly driven by the timber and agricultural industries. In the past few decades, the area has become a healthcare hub, and has a diverse economy supported by the industrial, manufacturing, logistics, retail, senior/retirement living, and finance/professional sectors. Timber and agriculture still play a role, with Timber Products and Roseburg Forest Products' main facilities located nearby.

A burgeoning golf destination, the area has numerous renowned golf courses, and several other famous courses are within a short drive (Bandon Dunes, Pacific Dunes, Pronghorn Resort). Over 8 casinos are within a 6-hour drive, including Seven Feathers, Three Rivers, Elk Valley, and others.

Butte Fall

Southern Oregon Market

Strategic, Central Location

Southern Oregon is perfectly positioned nearly exactly halfway between Portland and Sacramento. The region's main airport, Rogue Valley International-Medford Airport (MFR) serves as both a high-traffic regional airport with dozens of direct-access and layover routes as well as a bustling private aviation hub. Well over 1m annual travelers come through MFR, with that number growing alongside the addition of several new commuter and travel routes to Portland and Salem, Arizona, California, and many others.

Medford enjoys short, \pm 1 hour flight times to San Francisco (6 hr drive), Portland (4 hr drive), and Seattle (7 hr drive). The local airport recently announced plans in early 2025 to double its size and capacity over the next few years, in order to accommodate the rapid growth of the region.

From a private aviation perspective, MFR is home to 2 Fixed-Base Operators (FBOs) - Million Air and Jet Center MFR. Both are highly-active, highly-rated FBOs serving countless private aircraft owners and military personnel. Million Air prides itself on being the only FBO on the West Coast that can hangar a Boeing business jet.

The airport's low relative parking fees, combined with its strategic, central location, has proven the region as one of the most prominent private aviation destinations in Oregon for corporations and private individuals alike.

The region's drier, sunnier climate allows for easier air travel for most of the year, compared to the rest of the State. MFR also serves as the region's air-based fire-fighting hub during the summer months.

Overall, the region is a burgeoning aviation destination, with the perfect blend of economical, weather, and geographical tailwinds spurring growth.

Transaction Guidelines

710 Jefferson Avenue is being offered on the open market. Purchasers should rely on their own assumptions and base their offer on the "As-Is, Where-Is" condition of the property. Merit Commercial Real Estate will be available to assist prospective purchasers with their review of the offering and answer any questions within their scope of practice.

Property Tours: Tours are available by appointment only, and must be completed with the company of a listing broker or other representative. Seller reserves the right to suspend tours at any time without notice. Seller requires at least 24 hour advance notice for any tours.

Interest to be Transferred: Fee Simple, via Special Warranty deed.

Offers: There is not currently a definitive date for offers or LOIs to be submitted. When a prospective buyer/user prepares an offer for any portion of the Site, such offers or LOIs should, at a minimum, include the following:

- Purchase price or Lease rate; asking lease rate is \$0.90/SF/Mo (\$10.80/SF/Yr), NNN
- Verifiable proof of funds
- Amount of earnest money deposit
- Buyer's due diligence period, extension options, and internal approval process
- Desired closing date
- Breakdown of closing expenses to be paid by buyer and seller, if differing from local customs
- If lease: Lease rate, TI package, occupancy date, lease term, desired use

Please contact listing brokers Scott and Caspian for additional information.

M Local Vendor Directory

Notes & Background

This vendor directory is tailored to commercial property owners or asset managers (the "Contracting Party") and covers the most common recommendations we give. We do not provide blanket recommendations for attorneys or finance/tax professionals, but may provide them based on your specific scenario - please contact us. Vendors marked with a star symbol indicate that Merit Commercial Real Estate ("MCRE") may receive compensation from this vendor. MCRE assumes absolutely no liability or responsibility for the actions of any vendor on this list. It is the responsibility of the Contracting Party to independently vet, verify, pay, manage, or otherwise work with any vendor. MCRE recommends all Contracting Parties obtain multiple bids/proposals for all work contemplated.

Notes & Background

This vendor directory is tailored to commercial property owners or asset managers (the "Contracting Party") and covers the most common recommendations we give. We do not provide blanket recommendations for attorneys or finance/tax professionals, but may provide them based on your specific scenario - please contact us. Vendors marked with a star symbol indicate that Merit Commercial Real Estate ("MCRE") may receive compensation from this vendor. MCRE assumes absolutely no liability or responsibility for the actions of any vendor on this list. It is the responsibility of the Contracting Party to independently vet, verify, pay, manage, or otherwise work with any vendor. MCRE recommends all Contracting Parties obtain multiple bids/proposals for all work contemplated.
