# Executive Summary

## Scattergood Drive Portfolio | Christiansburg, VA

The Scattergood Drive Commercial Campus presents the opportunity to acquire three modern, business-zoned commercial buildings, plus warehousing/storage space totaling approximately 60,000 square feet across 6.962 acres in Christiansburg, Virginia — the primary commercial hub of the New River Valley. Delivered between 2010 and 2022, all assets are zoned B-3 (General Business), allowing a broad range of retail, medical, professional office, service, education, and flex-commercial uses. The portfolio may be acquired individually or as a consolidated campus.

This offering provides investors with:

- Modern construction with limited near-term capital expenditure
- Flexible tenant configurations
- Business zoning across all parcels
- Strong healthcare and university demand drivers
- Below replacement cost basis relative to new development
