

2,624.72 RSF

The image is a technical architectural drawing of a floor plan. It features two large rectangular areas filled with diagonal hatching. The left hatched area is labeled '2,624.72 RSF' and the right hatched area is labeled '2,334.27 RSF'. Below these areas is a detailed room layout with various furniture, fixtures, and architectural elements. A central room in this layout is labeled '447.9658'. The drawing includes structural grid lines, wall thicknesses, and door swings. There are also small square markers with an 'X' inside, likely representing specific fixtures or equipment locations.
