Offered for the first time in years, this unique multi-family estate is set on an expansive, park-like lot featuring lush lawns, mature trees, and beautifully landscaped grounds that create a peaceful retreat just moments from the ocean. The property consists of three well-maintained residential buildings: two charming single-level duplexes and a triplex situated above five private garages with convenient rear alley access. The two duplexes each offer spacious one-bedroom bungalow-style residences, while the triplex includes a studio, a generous one-bedroom apartment, and a large two-bedroom, one-bath residence. Market Overview

Market Overview: Laguna Beach, CA

Laguna Beach (lə-GOO-nə; laguna, Spanish for "lagoon") is a city in Orange County, California, United States. Located in Southern California along the Pacific Ocean, this seaside resort city has a mild year-round climate, scenic coves, and environmental preservation efforts. The population in the 2020 census was 23,032.

Historically settled by Paleoindians, the Tongva people, and then Mexico, the location became part of the United States following the Mexican–American War. Laguna Beach was settled in the 1870s, officially founded in 1887, and in 1927 its current government was incorporated as a city. The city adopted the council–manager form of government in 1944. The city has remained relatively isolated from urban encroachment by its surrounding hills, limited highway access, and dedicated greenbelt. The Laguna Beach coastline is protected by 5.88 miles (9.46 km) of state marine reserve and an additional 1.21 miles (1.95 km) of state conservation area.
