The Park at UC offers retail and creative office space within one of the most active mixed-use environments in the Charlotte MSA. Located in Rock Hill's University Center, a \$250 million redevelopment of a former industrial site into a 1.9 million square foot live-work-play district, the property sits at the center of daily activity driven by residential density, hospitality, and institutional presence.

The project benefits from the neighboring arenas, Rock Hill Sports & Event Center and the new Bleachery Fieldhouse arena, and proximity to Winthrop University. This creates a consistent flow of students, residents, and regional visitors. This convergence of demand supports a retail environment best suited for experiential, creative office, and service-oriented users seeking sustained foot traffic within a walkable, destination-oriented setting.
