HIGH PROFILE RETAIL SPACE
- FOR LEASE

PROPERTY SUMMARY

575 M Street, Crescent City, CA 95531

This 75,911 sqft high-profile retail center is available for lease for the first time in decades following Rite Aid's recent bankruptcy proceeding. Crescent City, CA is the county seat to Del Norte County and serves as the regional hub for retail, employment, education, medical, entertainment, and logistics in this highly captive coastal community. Where the waves of the Pacific Ocean meet the ancient Redwood forests, this picturesque coastal region captures the attention of nearly 1,500,000 visitors annually as tourists enjoy the rugged coastline and multiple National and State Parks (proudly serving as the backdrop to major Hollywood films such as E.T, Star Wars [Return of the Jedi], and Jurassic Park]). Serving as the major N/S arterial in the region, HWY 101 stretches from San Francisco to southern Oregon and is the gateway to this shopping center. Centrally located and strategically positioned on the signalized intersection of n/b HWY 101 and 5th Street, the subject property benefits from multiple points of ingress/egress onto the HWY and enjoys cross-selling synergy with the predominant daily-needs center in town (anchored by Safeway). With stringent coastal development protections and natural boundaries, this is a high barrier to entry market making this 31,500 sqft junior box a coveted opportunity to join other successful national brands such as Home Depot, Walmart Supercenter, Tractor Supply, CVS, Auto Zone, Starbucks and Chipotle.
