4700 Battlefield Parkway, Ringgold, GA

Creating Exceptional

Parkway Physicians Center is a three-story Class-A medical office building (MOB) attached to the CHI Memorial Parkway Cancer Center and the site of a new hospital projected to open in Fall 2024. The MOB and attached medical facilities are centrally located between Ringgold and Ft. Oglethorpe on Battlefield Parkway, twenty minutes outside of Chattanooga, Tennessee.

The MOB has over 5,000 square feet of rentable area and accommodates a balanced mix of healthcare specialties including dermatology, cardiology, sports medicine, an on-site imaging center, and pharmacy. Advantageously, the ground lease is owned by Commonspirit Health, the second-largest nonprofit hospital chain in the United States, which plans to construct a new hospital that will attach to Parkway Physicians Center.

Additional standout qualities of Parkway Physicians Center are its competitive lease packages, ENERGY STAR certification, and on-site management facilities, which combine for exceptional caregiving experiences. Physicians and their patients can also count on stress-free journeys to the MOB thanks to the property's ample surface parking, two covered drop-off areas, and easy access to both I-75 and US-27.
