Market Overview

Humble, Texas offers a strong commercial environment supported by established retail activity, convenient regional access, and continued residential growth. The FM 1960 corridor serves as one of the area's primary commercial thoroughfares, connecting businesses to I-69/US-59, Beltway 8, and nearby population centers throughout Northeast Houston.

The property benefits from its location near Deerbrook Mall, national retailers including Walmart, medical offices, hotels, and other established commercial uses. Its proximity to George Bush Intercontinental Airport further strengthens accessibility for both local and regional traffic.

With more than 30,000 residents within a 3-mile radius and continued growth in population and household income, the surrounding trade area provides a substantial consumer base for retail, restaurant, medical, service, office, and mixed-use concepts. The combination of a signalized intersection, strong frontage, available utilities, and development-ready land positions the site well for users seeking visibility and long-term commercial potential in the Humble market.
