**725 Highway 25-70 W | Dandridge (Jefferson County), TN**

**16.56± Acres with Income-Producing Warehouse | I-40 Exit 415**

**For Sale: \$1.69M**

## EXECUTIVE SUMMARY

Offered for sale is a high-visibility 16.56± acre commercial tract located directly at Interstate 40 – Exit 415 in Jefferson County, Tennessee, featuring a 9,450 square foot open-span metal warehouse that is 100% leased and generating \$8,500 per month (\$102,000 annually) in rental income.

The property combines immediate income with significant future development upside, as approximately 8–10 acres of additional land remain outside of the current lease, allowing a buyer to retain the existing tenant while developing or land-banking the balance of the site.

Positioned along Highway 25-70, a major east-west arterial and a primary feeder to Interstate 40, this site benefits from exceptional exposure to the millions of annual travelers visiting the Great Smoky Mountains National Park via Exit 407, located just 8 miles west. Ongoing commercial momentum along this I-40 corridor—anchored by Buc-ee's, expanding tourism infrastructure, and active planning for future sewer service—places this property at the forefront of Jefferson County's next growth interchange.
