LOT PLAN

*Mills Act Summary: The Mills Act is a California program that provides major property tax savings for owners of historic buildings. Instead of being taxed on market value, the property is taxed based on its income and condition. In return, the owner agrees to properly maintain and preserve the historic features of the building. Approved properties often see substantial property tax reductions, resulting in lower operating costs and improved cash flow while preserving a unique historic asset.

\$3,750,000 (\$548/SF)

LOCATION HIGHLIGHTS

- Prime Bankers Hill location – Highly walkable Uptown San Diego neighborhood (95 Walkscore)

- Well-positioned to benefit from continued urban growth and redevelopment in San Diego's central neighborhoods.

- Minutes from diverse food, beverage, and lifestyle spots

- 5 Minute Drive to/from Downtown San Diego

- 8 Minute Drive to/from San Diego International Airport

- Located in a strong mixed-use corridor with solid residential and professional tenant demand

BANKERS HILL

Bankers Hill is a well-established, centrally located neighborhood recognized for its historic character and strong mix of office, dining, and neighborhood-serving retail uses. The adjacent Hillcrest submarket remains one of San Diego's most desirable areas for both residential and commercial real estate, supported by long-term demand drivers and historically stable property values.

The Bankers Hill Offices are strategically positioned with convenient access to North Park, Mission Bay, Pacific Beach, Old Town, Downtown San Diego, Mission Valley, and San Diego International Airport.
