Six Reasons to Choose a Hollingsworth Facility:

1. Strategic logistics locations on interstates.
2. Proven cost effective and available labor resulting in productive operations.
3. Multiple lease terms available.
4. Cost effective custom tenant finishes to meet your specs and budget.
5. We are your real estate partners and charge no commission.
6. Streamlined development packaging including: site selection, construction, local compliance, finish and financing.

What others are saying about us...

"The Hollingsworth Companies is now one of the largest industrial developers/investors headquartered in the South with 10 million square feet developed or acquired..."

Mike Randle, Publisher, Southern Business & Development

"The bottom line is we could not have been more pleased with our (Hollingsworth Companies) experience."

Karl F. Hielscher, President & CEO, Metl Span Corporation

"They readily accepted the challenge and our offices were completed within 75 days... on time and on budget. We were fully operational in our new facility within 80 days of having executed the purchase agreements."

J.N. Anderson, COO, Heritage Merchandising Co. (Pennzoil)
