Introducing

# TideLock

TideLock will be the premier residential riverfront mixed-use community at the heart of the Old Town North Arts & Culture District. When complete in Spring 2026, the project will have transformed three obsolete, 1980s-era office buildings into 169 stylish apartments, 65 luxury condominiums, restaurants and a new home for Levine Music, a regional non-profit leader in music education. Re-developed to qualify for a LEED Silver certification, upscale living at TideLock is also sustainable living.
