# Committed to a Sustainable Future

---

The Field Office campus exemplifies our commitment to sustainability, having achieved LEED Platinum Certification and earning the “2019 Development of the Year” award from the Daily Journal of Commerce.

This green-focused building offers over 200 bike parking spots, complete with a repair station, showers, and lockers to support eco-friendly commuting. Additionally, it features several bike and scooter rental hubs, and is conveniently located within a block of multiple bus stops. Our dedication to environmental stewardship extends to the rooftop beehive and the use of local flora in our landscaping, fostering biodiversity and enhancing the local ecosystem.
