HAMILTON MASSACHUSETTS

## EXECUTIVE SUMMARY

Atlantic Capital Partners has been exclusively engaged to solicit offers for 44 Bay Road, a mixed-use asset located in the heart of downtown Hamilton, Massachusetts. Hamilton is one of the North Shore's most affluent and desirable communities, boasting average household incomes in excess of regional benchmarks and a loyal, high-spending consumer base. The town is well-connected to the broader Greater Boston economy via Route 128 (I-95) to the west, Interstate 93 to the southwest, and Route 1 running along the coast, providing residents, employees, and visitors convenient access to the market. The property further benefits from its proximity to Cape Ann, one of the most significant leisure and tourism destinations on the Massachusetts coastline. Cape Ann draws hundreds of thousands of visitors annually and generates substantial pass-through traffic along the Route 1A and 128 corridors, directly supporting retail and service demand in surrounding communities including Hamilton.

The building totals 3,672 square feet across two floors and is presently configured as a mixed-use asset. The second floor is currently occupied by three month-to-month office tenants, providing immediate in-place income for future ownership. The ground-floor retail space is vacant, offering the flexibility to select a best-in-class tenant, establish their own storefront operations, or execute a repositioning strategy tailored to downtown Hamilton's evolving commercial landscape. This combination of immediate cash flow and value-add optionality makes 44 Bay Road a compelling opportunity for both investors and owner-occupiers.

The property is being offered for sale without an asking price, with offers being accepted on a rolling basis.

44 Bay Road benefits from strong pedestrian activity, a loyal local customer base, and strong nearby national and local tenancy. Proximity to Bay Road's mix of independent retail, restaurants, and professional services makes this an immediately recognizable and desirable address.

### AFFLUENT, HIGH-INCOME MARKET

Hamilton is among the most affluent communities on Massachusetts' North Shore. Within a 3-mile radius, the average household income exceeds \$169,000, and within 5 miles that figure remains an exceptionally strong \$149,297 across a population of more than 90,000 people.

### FUTURE FLEXIBILITY

With a vacant ground floor and income-producing office suites above, 44 Bay Road offers a rare combination of immediate cash flow and flexibility. Future ownership has the opportunity to backfill the former Connelly's Pharmacy or an owner-occupier can establish their own storefront in one of Hamilton's most visible downtown locations.

### IMMEDIATE COVERED CARRY COSTS

The second floor is currently occupied by three office tenants, providing in-place revenue from the date of acquisition. This existing income stream reduces risk and provides a stable foundation while a buyer executes on the ground-floor leasing strategy.

Hamilton is ideally positioned within the broader North Shore submarket, placing 44 Bay Road within easy reach of major regional amenities and employment centers. The property sits in close proximity to Cape Ann, the Beverly Airport, Gordon College, and the vibrant downtown Beverly commercial district.
