The Huntington Center Experience

Located in the heart of downtown Cincinnati, Huntington Center offers a superlative experience for employees and visitors. Tenants have direct access to Fountain Square and adjacent to the newest mixed use development, the Foundry.

Direct Amenities

Fountain Square

Fountain Square is the premier public space where Cincinnatians gather, celebrate and connect as a city. Events are programmed throughout the year, plus a seasonal ice rink.

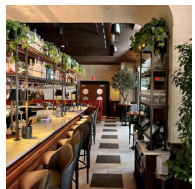

Jeff Rubys

Jeff Ruby Culinary Entertainment has moved its flagship downtown restaurant into the Foundry. It promises to be as ultra-luxurious with elegant dining rooms, a beautifully furnished patio, multiple rooms for private dining & events, valet parking, and the elevated steakhouse fare that has earned Ruby's eateries national acclaim as can't-miss destinations.

Five Iron Golf

New York City-based Five Iron Golf signed a 13,000 SF long-term lease on the first floor of the Foundry. This includes 13 custom-built golf simulators, widescreen TVs, leisure games, a full-service restaurant and bar serving creatively curated and seasonal fare, league play, private lessons, clinics and social events.

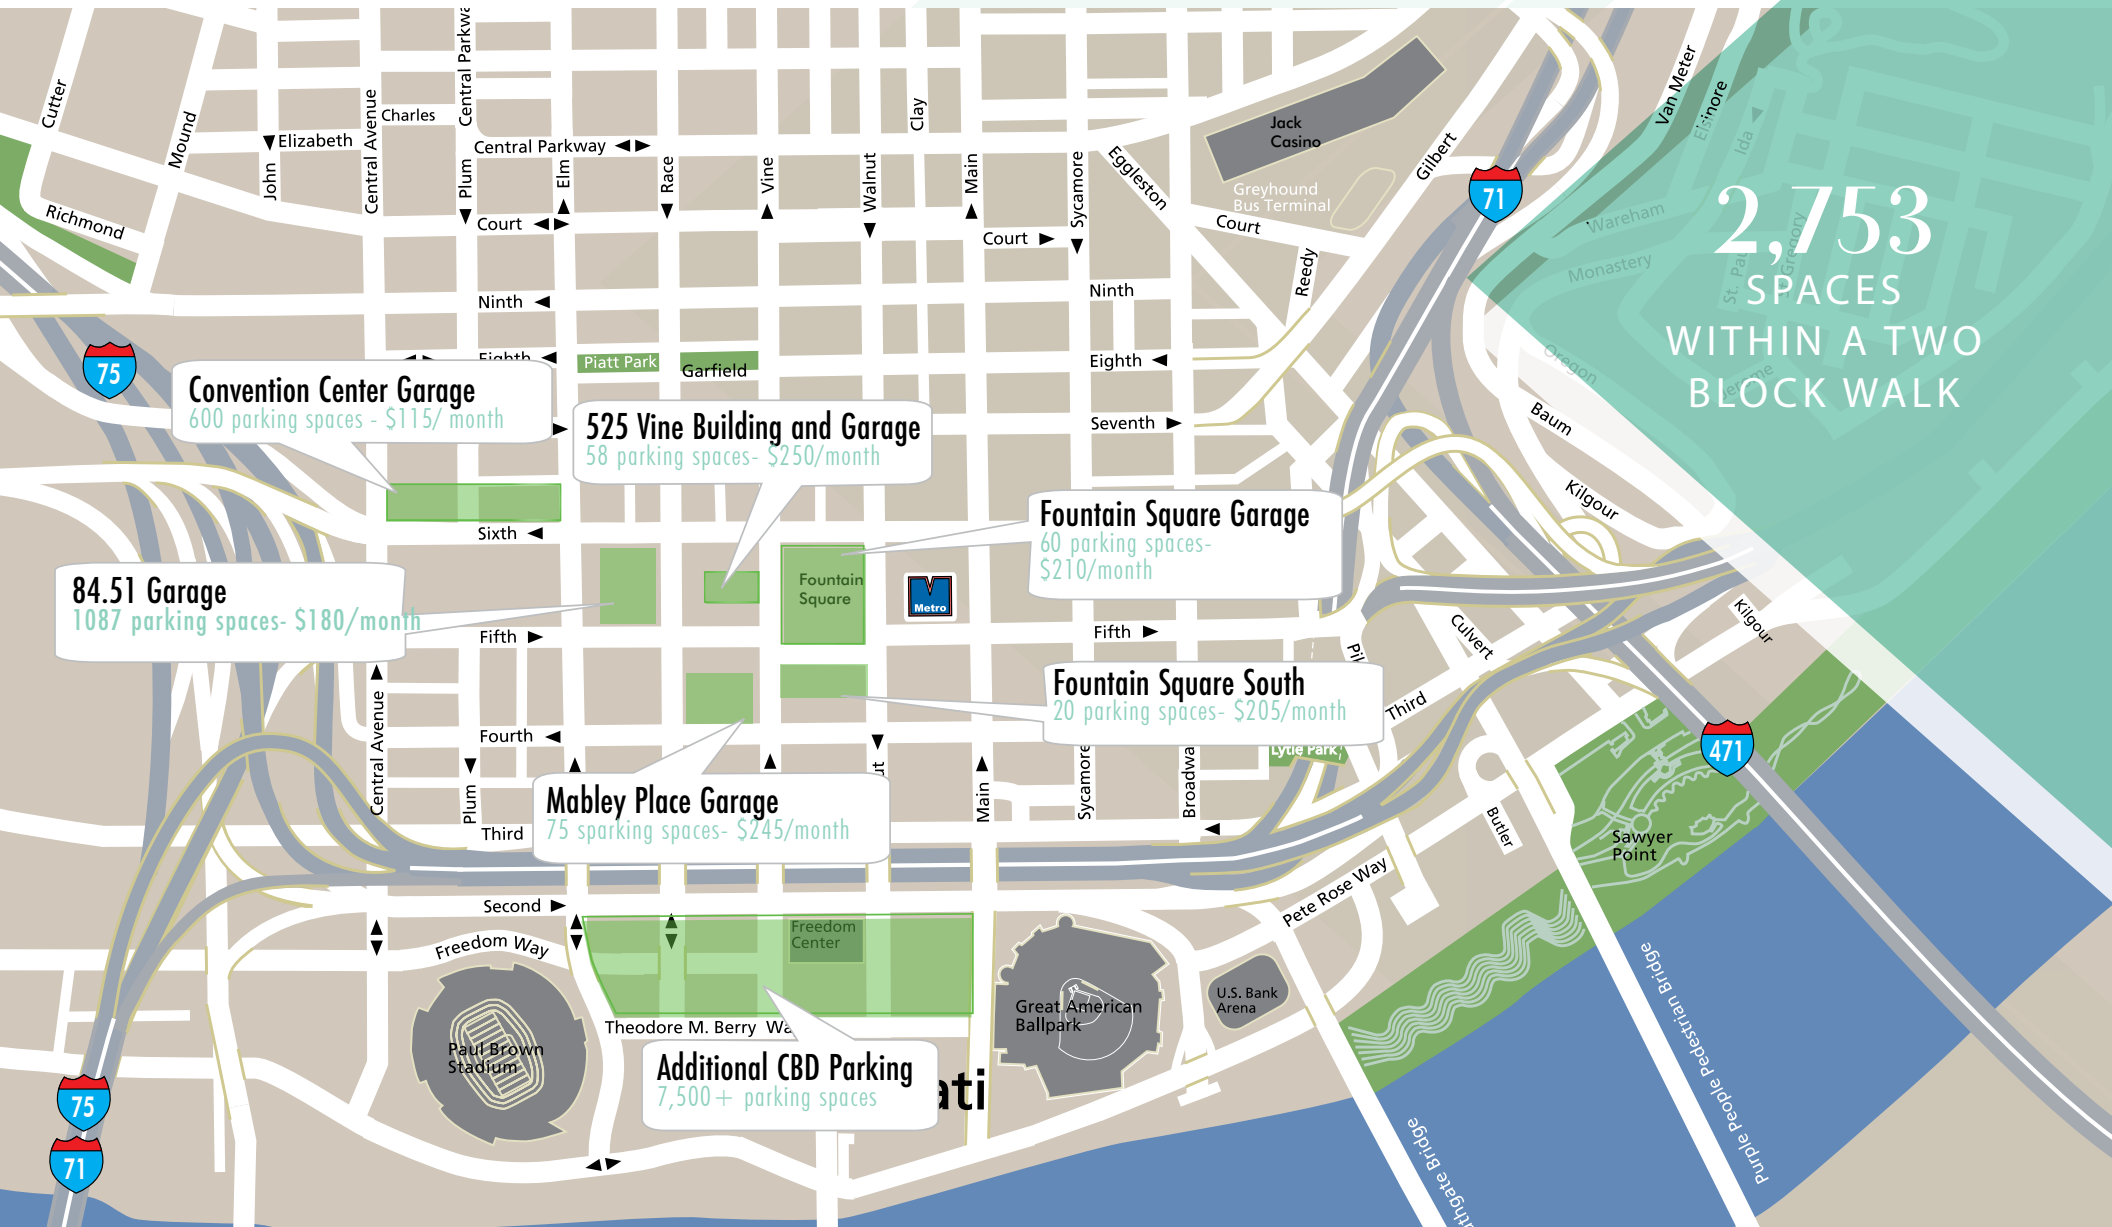

The Davidson

Inspired by the iconic timelessness of the Tyler Davidson Fountain, The Davidson serves an a la carte menu with updated takes on French, Italian, and American classics. Join us on Fountain Square at 5th and Vine in a lively, elegant setting.

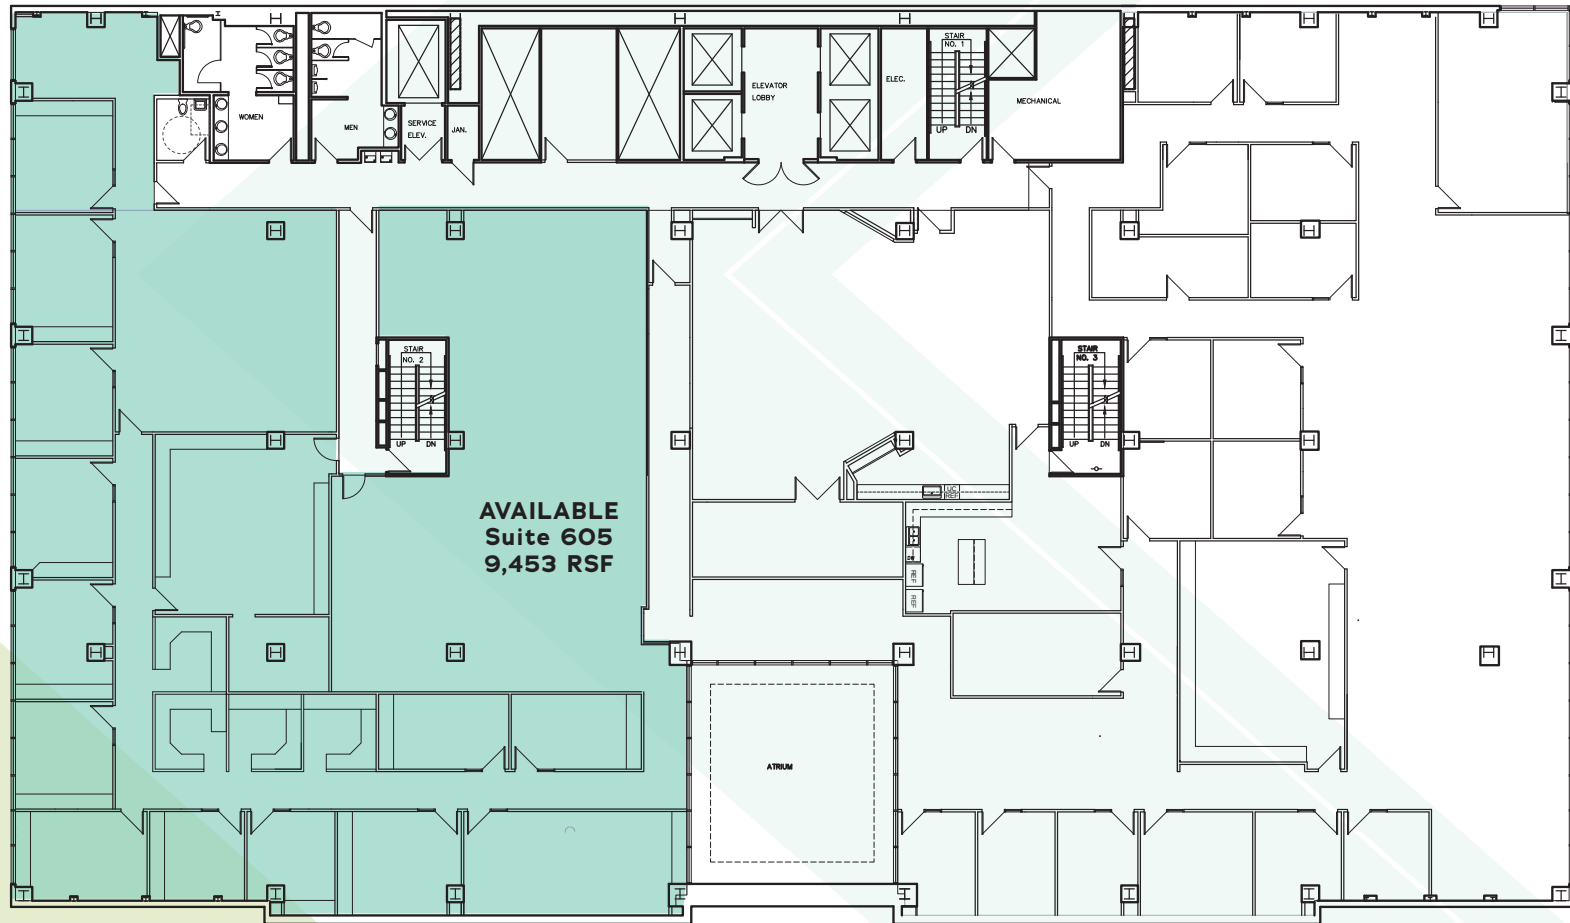

Cincinnati Parking

In addition to several nearby parking options, Huntington Center controls over 480 parking spaces in the Huntington Center, Fountain Square and the Convention Center Garage.
