▲ SYMMETRY PARK MERSEYSIDE

Welcome to Symmetry Park Merseyside, a new highly-sustainable 1 million sq ft employment park in Knowsley.

Located east of J6 of the M62, Symmetry Park Merseyside forms part of the Halshead Garden Village Sustainable Urban Extension (HSUE) which represents part of the wider vision for the Halshead Garden Village, one of Liverpool City Region's most significant development sites and which will provide a major boost to the local economy.

Following the successful pre-let of Unit 01 (161,900 sq ft) to Yodel, Tritax Symmetry is delivering Unit 02 (272,000 sq ft) which is under construction and ready to occupy in Q1 2025. Further design and build opportunities are available up to 445,000 sq ft.

In addition to the valuable employment opportunities for the region, we take pride in our commitment to community and sustainability. In partnership with The Land Trust, a 65-acre Country Park will form part of the employment site, a stunning wildlife haven for the local community to enjoy.

The Country Park is a transformative initiative, rejuvenating the site of the former Cronton Colliery into an exemplary publicly accessible open space with community facilities. A new sustainable transport route will follow the abandoned mineral railway line, ensuring safe and convenient access for walking, cycling, or running, and connecting the towns and villages to the north and south of the M62.
