GO DOWN IN HISTORY

Or... maybe go UP in history? Because this whole-floor office space is on the second story of the historic "1882 Building" which has been host to a whole society of successful artists, restaurants and even Mike's Camera. Of course, historic doesn't mean austere! It has access to two kitchens, a conference room -and- huge windows and a patio which overlooks the Flatirons. If that's not enough, you can hit the bricks on Pearl Street to find shopping and great food. And you needn't go far: Japango Sushi is directly below! Are you ready to become part of the 1882 Building's historic society?
